Fact finder probes contract

By JIM CARAVALLAH
Of The Roman Staff

Both sides in the Romulus School District teacher contract negotiations have agreed to go to fact finding in an effort to solve a continuing economic issue impasse.

Both James Garfield, superintendent of schools in Romulus, and Chris Powers, chief negotiator for the Romulus Education Association (REA), the teacher's bargaining

agent, said they are willing to go to a third party in an effort to define the status of negotiations.

"The third party, appointed by the state, will point out where the differences exist and state who is right or wrong in their stand," Garfield said. "It will bring the issues into the open."

Garfield estimates that the two sides are "about a quarter of a million dollars apart" on salary and

fringe benefit settlement in the negotiations.

The teachers have been working without a contract since the end of August, and voted to strike two weeks ago.

However, Mrs. Powers, a physical education instructor in two district elementary schools, said the teachers will remain on their jobs at least until a report comes back from the fact finder.

"We're willing to exhaust all

possible avenues in an effort to solve this issue without a strike," Mrs. Powers said. "But the teachers are getting impatient, since we voted to go back to school in early September on the assumption there would be a change in the school board's stand on the contract, and there has been no change."

"We have requested binding arbitration as a means to reach settlement, but have been turned down by the Board of Education."

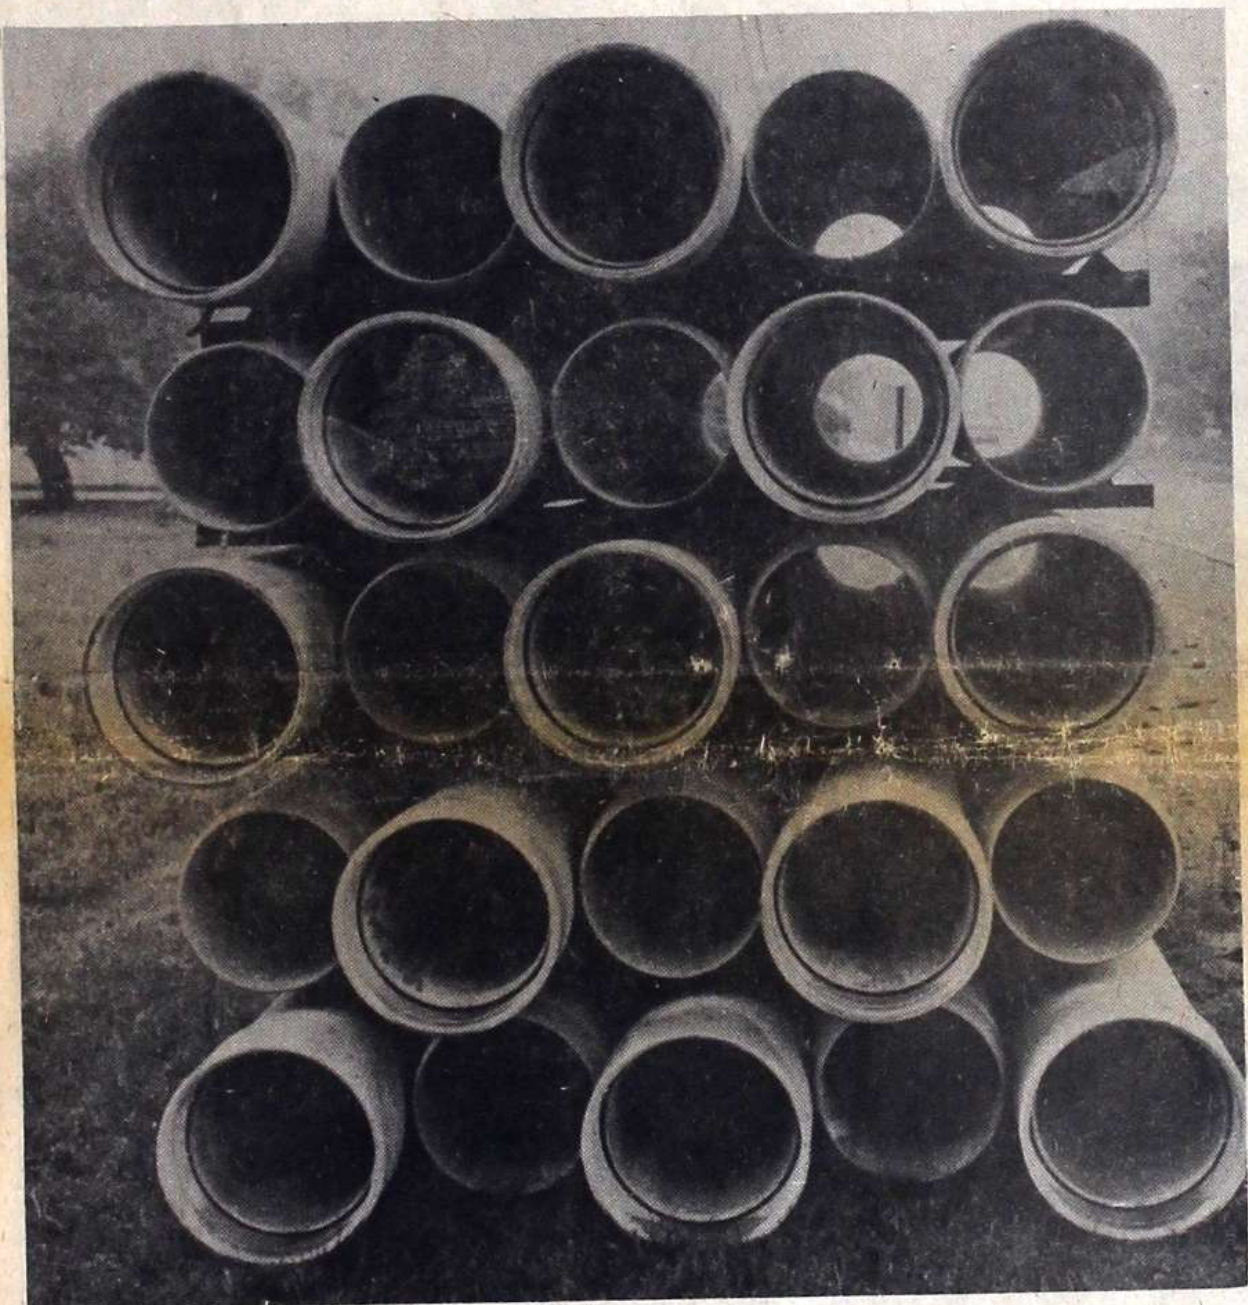

Mrs. Powers added that residents in Romulus shouldn't become too excited about the potential of fact finding, even though it will keep teachers in their classrooms until at least mid-November.

"This merely is advisory fact finding, without any binding effect whatsoever," Mrs. Powers said. "The fact finder will recommend where either side can make changes in its position to reach settlement,

but there is no guarantee that those changes will be made.

"I must point out that the teachers are so sure of their stand that they're willing to go to binding arbitration, where the arbitrator can take the issues and make a ruling on a settlement which binds both sides to that course of action."

Mrs. Powers added that the teacher negotiation team will be working on a report for the fact finder during the next week.

Patterns of progress

Pipes lying at the side of the road mark continuing construction in Romulus. These pipes will carry sewage runoff along newly constructed roads in the southern section of the city, offering residents better drainage and improved road surfaces. Though the new expressway run-

ning through the community helps to cut it off at certain points, improvements being put underground along the route will aid residents' living conditions. — The Romulus Roman photo by Lothar Konietzko.

Negotiator eyes parent concern

A negotiator for the Romulus teachers union is appealing for more parent concern with the progress of negotiations in the school district.

Chris Powers, chief negotiator for the Romulus Education Association (REA), said that parent interest in contract negotiations may help the teachers in the district avoid striking to achieve contract goals without going to a strike.

"I think if parents in the district take an interest in the negotiations before they reach a crisis, and the kids are out of classrooms because of a strike, some progress can be made," Mrs. Powers said. "But if there is no interest, the crisis will not be avoided."

Mrs. Powers added that teachers feel victimized after believing a statement by negotiators from the Romulus Board of Education that "substantial changes" would be

made in the board's Sept. 2 offer to the teachers if the educators return to class the next day.

"We went back to class, expecting the board to present an offer of more money which would come nearer to our requests, and got nothing but a rearrangement of figures within the same money structure."

"We're still as far apart today as we were when we went back to classes, and the contract discussions are being dragged on."

Mrs. Powers said that the tenor of the teachers' attitudes in the district were summed up in a nearly 20-1 rejection of the latest board offer by 260 teachers last week.

"It showed they were not happy at all with the progress of negotiations," Mrs. Powers said. "There are some who are saying that the only way to get public interest in the matter is to call a strike."

"But the REA wants to exhaust all avenues open to it under the law before walking the streets seeking contract settlement."

"We're requesting binding arbitration as a means to settlement to demonstrate that we believe our requests are well within the board's means, but were turned down by the board."

"If they were so sure that they were right in their position, then they'd believe just as the teachers that a binding arbitration wouldn't hurt them in the end."

Mrs. Powers added that the negotiation team has a mandate by teachers to call a strike when the team believes it can reach settlement only with a strike.

The teachers in the district had voted 149-121 to strike in a special meeting Sept. 22.

Four communities okay court plans

By JIM CARAVALLAH
Of The Roman Staff

Four of the five communities involved in the use of the 34th District Court apparently have

agreed to go along with a plan for financing construction of a new court building. The fifth apparently is headed to the courts in a suit to defend its position.

Romulus Mayor Terry L. Troutt said his community, and the townships of Van Buren, Sumpter and Huron are expected to go along with a financing arrangement for construction of a new 34th District Court building, based on each community's case load use of that court, and threatens to challenge Belleville in a suit unless that community goes along with the same plan.

Troutt Monday reported that the four consenting communities went along with the use financing plan when they learned that it was within the court's rights to close down individual violations bureaus in those communities. The bureaus had been collecting funds, which Troutt believed should be used for court operations, without sending their share to the court.

The four communities have agreed to donate all violations funds collected to a common fund on the provision that money not needed for court operations and construction be redistributed to them.

However, the Belleville City Council adopted a counter proposal to the plan at its regular Monday night meeting and is expected to reveal that plan at a court meeting scheduled for today.

In the past, Belleville officials have criticized the financing of the court on the use basis, and recommended that paying for the facility be based on each community's state equalized value.

Troutt said despite any protests from Belleville, he will sue the city for its violations bureau funds to insure that court operations are

financed from that money. "There's a chance we'll continue the suit to collect back funds from violations collections in all the communities since 1969," Troutt said. "According to state law, Romulus has been entitled to the violations funds during all of that time, and no one really knew."

"The city's been taking a beating by subsidizing the operation, but it looks like that will change now."

Election issue forum

Treasurer talks about job

Only one of the two candidates for the treasurer's office in Romulus answered this week's issue forum question.

Incumbent Treasurer John B. Lewkowicz answered the question, "Aside from the money, why are you seeking the job as city treasurer? What makes you qualified for the job? What is your background in community involvement in past years?"

Lewkowicz wrote: "I am concerned for the community, and my job is very important to the stability of the area I serve. Without sound financial management, the foundation of our community is easily shaken."

"I feel that I have proven to the community by hours of dedication to the trust which the people have placed in my hands by electing me to the office of treasurer."

Lewkowicz wrote that he

believes his accomplishments during two years on the job, such as earning \$626,000 in interest for the taxpayers on investments of \$40.6 million of city funds and receipt of \$934,000 in grants, demonstrate his qualifications as treasurer.

In addition, during the time, he caught an overpayment of \$5,560 on a contract and helped streamline the payment of \$1.5 million in city expenses," he added.

During his years in the community, Lewkowicz has been treasurer of the Romulus

Democratic Club from 1970 to 1975; served on the Romulus Township Board of water commissioners from 1968 to 1970, served in the Romulus Kiwanis Club since 1968, including the posts of treasurer, vice-president and president and in the Boy Scouts of America.

The incumbent is a veteran of World War II and served as chairman and negotiator for UAW Local 174 prior to being elected treasurer. He is a member of VFW Post 9568 and is a member and usher at St. Aloysius Parish.

EDITOR'S NOTE: Through this Election Issue Forum, voters in Romulus are able to read how different candidates feel about the city and its problems. The next question for MAYORAL CANDIDATES was made available at noon today at our office, 35540 Michigan Ave., Wayne. The forum is provided in this handy clip-out format because we urge voters to save it for re-reading before the general election.

Village, museum set for antiques seminar

With interests rising in items of nostalgia, antique buffs may find Greenfield Village in Dearborn is the place to be Monday through Oct. 17.

A variety of special features will highlight the activities of the 16th annual Midwest Antiques Forum at Henry Ford Museum.

In addition to the 16 lectures scheduled during the week-long event, and exhibit, special tours and musical entertainment will enhance the forum's theme and purpose.

The exhibit, titled

"Masterpieces of Style: 1700-1789," is designed to complement the forum's theme "Collecting Americana: The Coming of age of the colonies."

Opening on the first day of the forum, the exhibit draws upon the collections of Greenfield Village and Henry Ford Museum to stress the stylistic development of furniture, silver, glass, pewter, ceramics, textiles and lighting during the period beginning in 1700 and ending in 1789. A subsidiary theme will illustrate the

proper padding and upholstery of a selection of chairs and sofas through the use of bare frames and finished pieces.

During the forum, participants will have the opportunity to closely examine and learn about the collections of the village and museum. From time to time, Henry Ford Museum curators in the mechanical as well as the decorative arts will conduct brief gallery tours for interested forum registrants. Free time is allotted participants so that they also may view the village and museum at their leisure. Midway through the forum on Oct. 15, participants will journey to the Detroit Institute of Arts for a tour of the American collections housed there.

Musical entertainment of the 18th century will be the feature of the evening program the same day, the Camerata Consort, a group of Dearborn musicians under the direction of James Irwin, will present a program of chamber music using cello, harpsichord, violin, recorder, flute and voice. Selections will include compositions written

between 1680 and 1760 and performed as they might have been in the homes of wealthy American colonists of the 18th century.

Throughout the forum, illustrated lectures by some of the nation's outstanding authorities on antiques will examine the state of the decorative arts in the American colonies in the years just prior to the Revolution. Among the speakers who will address themselves to the subject are museum curators, authors, university professors and antiquarians. The forum will close on Oct. 17 with a special banquet.

Registration forms and additional information about the program, accommodations and fees may be obtained by writing Midwest Antiques Forum, Henry Ford Museum, Dearborn 48121 or calling (313) 271-1620.

Agency reps hear gripes

Area residents with complaints on consumer matters will have a helping hand with them during the next month.

Officials of the Wayne County Consumer Protection Agency are planning visits to the area Oct. 16 and 21.

Kathleen Hopkins of the protection agency will be at the Van Buren Township Hall, 46425 Tyler Road, Van Buren, between the hours of 9 a.m. and 12 p.m., Oct. 16.

Ms. Hopkins will be at the Sumpter Township Hall, 23483 Sumpter Road, between the hours of 1 and 4 p.m. Oct. 16.

Deborah McGerry will be making a visit to the Romulus City Hall between the hours of 1 and 4 p.m. Oct. 21.

The City Hall is located

at 11111 S. Wayne Road, Romulus.

A representative of the agency will be making a visit to Sumpter and Van Buren on the third Thursday of each month while another representative will be in Romulus on the third Tuesday of each month.

Persons who can't make it to the regular visits in local facilities can file their complaints either in person or by phone between the hours of 8:30 a.m. and 4:30 p.m. weekdays.

The agency's central office is located at 356 E. Congress St., Detroit 48226.

The phone number for the agency is 224-2150.

A person will be available by phone each weekday between the hours of 8:30 and 10 a.m. and from 3 to 4:30 p.m.

League plans season

Romulus area residents are invited to an open meeting to discuss the future of the Romulus Ladies Softball League.

The meeting is scheduled for 7:30 p.m. Oct. 16 in the Romulus High School Auditorium.

According to a spokesman for the softball league, there will be a discussion on the possibility of changing the setup of the league during the 1976 season.

The spokesman said criticism of the 1975 season setup inspired the call for a meeting.

A BEAUTIFICATION AWARD — Kerr Manufacturing Co., 28300 Wick Road, Romulus was honored by the Romulus Beautification Commission for improvements around its Romulus facility. The award was presented by James Hatton (right) chairman of the Romulus Beautification Commission, to Robert Ransdell, (third from right) company president.

Joining the presentation (from left) were: Ed Spehaw, director of manufacturing; Harry Hurschmann, manager of engineering service; Al Widerstedt, vice-president, and an unidentified secretary. — The Romulus Roman Photo.

Ed officials fearful of state aid drop

Romulus school officials are fearful that the state aid to the district will drop to below \$200 per pupil with the findings of the recent school enrollment census.

District Supt. James Garfield said that the apparent lack of growth in the enrollment from the 1974-75 and the 1975-76 school year and the overwhelming growth of state equalized value in the community could take away as much as \$200,000 from the school's coffers in state aid.

At this point, the unofficial count shows that we're about 50 pupils down from last year's 6,665 enrollment," Garfield said. "That's fully 150 students below projections, and could mean that the district receives up to \$200,000 less in state

aid, when combined with the growth in the state equalized value per pupil in the district."

Under the complicated state aid formula, each of the first 20 mills of local taxing effort levied in communities across the state will raise \$21.25 per pupil with the state subsidy and each of the next seven mills levied by a district across the state would raise \$19.13 per pupil with the subsidy.

At present figures, that means that Romulus' share of local taxes will raise \$17.22 per pupil per mill and the state will make up the difference.

Under last year's formula, each mill of Romulus taxes raised \$15.33 per pupil and the state guaranteed

payments which raised the total effort to \$21 per pupil per mill on the first 27 mills.

Under last year's formula, the state chipped in \$5.67 per mill per pupil in aid payments and this year's formula threatens to reduce that subsidy to \$4.03 per mill per pupil on the first 20 mills and \$1.91 per mill per pupil on the next seven mills.

The net effect of last year's formula was to bring \$37,790.55 state subsidy to the district for each mill levied in the district and this year's formula, if figured on the existing census will reduce that state subsidy to \$23,022.65 on the first 27 mills levied.

Garfield said he is not unhappy with the rise in state equalized value

in the district, which saw the district's net worth increase from \$204.4 million in 1974-75 to \$227.8 million in 1975-76, but indicated he is worried about the reduced enrollment, which increased the state equalized value per pupil figure — the key to the state aid formula.

"I'm hoping that figures from the adult education program will bring the enrollment back up to at least last year's levels," Garfield said. "That will be somewhat of a help."

If the adult ed enrollment increased the school population to the 6,665 level of last year, the state subsidy per mill levied in the district would come to \$23,812.96.

Supermarket to open in city

Residents in the City of Romulus soon will be able to shop in a new, up-to-date and fully-equipped supermarket. Plans to open the supermarket at the intersection of Goddard and Shook roads were announced this week.

The complete food store will be housed in a 1-story, 15,000 square-foot structure located at 36450 Goddard Road, the former location at Vesco's Supermarket.

Olin William (Bill) Simonds Jr. of Flint, who intends to move to Romulus, is the

owner and manager of the new supermarket, yet to be named. He has 26 years experience in the food business. Simonds and his wife, Catherine Marie, are the parents of five children.

Simonds is in the process of hiring employees. He will use some of the existing equipment at the site, but his future plans include not only new equipment but complete remodeling of the building.

The opening date has not been set.

Committee eyes cutbacks

The Ways and Means Committee of the Wayne County Board of Commissioners this week is holding meetings on recommended 1975-76 budget cuts that include the elimination of Wayne County Sheriff's Department road patrols for seven out-county townships.

The committee's budget deliberations began at 2 p.m. Monday and will continue almost on a daily basis for the next two weeks prior to submitting committee recommendations to the full Wayne County Board of Commissioners for final adoption.

A public hearing on the elimination of four divisions of the Wayne

County Sheriff's Department including the Road Patrol service and the Metropolitan Helicopter Patrol will be held at 10 a.m. Oct. 14 on the 7th Floor of the City-County Building in Detroit.

The Road Patrol of the Sheriff's Department currently provides a 24-hour 7-day-a-week service to the township of Canton, Huron, Northville, Plymouth, Sumpter, Van Buren and Brownstown.

The elimination of the Road Patrol was recommended by the Wayne County Board of Auditors because a recent court ruling said that the Board of Commissioners is not obligated to provide the policing service.

The seven townships have filed an appeal to the Michigan Court of Appeals contesting Wayne County Circuit Court Judge Thomas F. Foley's decision. The townships contend that the county has the legal responsibility to patrol townships in the absence of a regular township police force.

The 3-member County Board of Auditors on Sept. 25 presented to the Ways and Means Committee a budget proposal for next year that calls for spending \$27 million over the current budget, but also recommended elimination of some popular programs and severe cuts in others. The budget totals \$331,692,650.

Freedom a must

"Newspapers shouldn't be allowed to print things like that."

"What gives The Daily Eagle a right to print that?" We're sure you have heard statements similar to that in recent years. Perhaps you have said it yourself.

What things? Maybe an editorial that supports a philosophy that differs from yours. Perhaps a news story that makes you angry or uncomfortable. Or a statement that you feel is misleading or even untrue.

The fact is, however, that newspapers must be allowed to print anything they wish to, subject to libel and

slander laws. This is what the First Amendment to the Constitution is all about.

The First Amendment guarantees that the United States shall have a free press. It does not guarantee a fair press, or a responsible press, only a free press. For nearly 200 years the First Amendment has protected big and small newspapers...good newspapers and bad ones...responsible journalists and irresponsible hacks.

During this period of time, the American press has had, and does have, an overwhelming majority of

competent and responsible members.

They have prevailed because the citizens have been informed, because vital issues have had full public examination and discussion. Perhaps Benjamin Franklin expressed it best with these words:

" 'Tis my belief...that when men differ in opinion, both sides ought equally to have the advantage of being heard in public. When the truth and error have fair play — truth is always an overmatch."

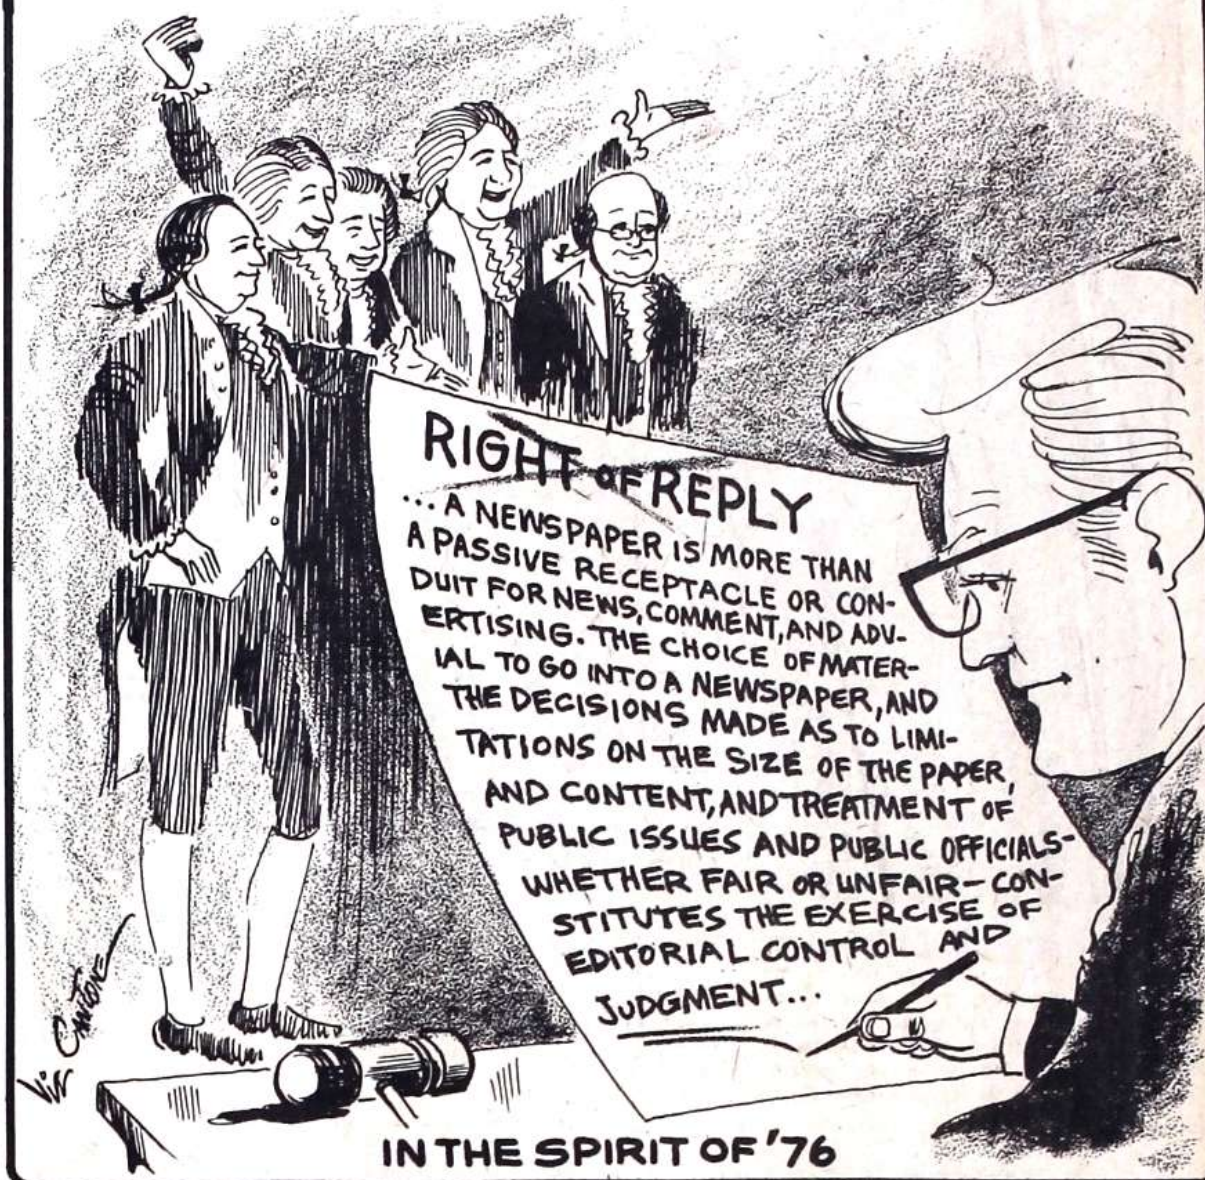

During The Bicentennial year, it will be well for all of us to remember that the free discussion of public business is the prerequisite of liberty.

We must keep in mind that any limitation placed on the right of free expression of any person or group...no matter how repugnant their cause may be...is an infringement on the rights of all of us.

Freedom of speech and of the press have made us a free people. May we, as a nation, have the wisdom to recognize and perpetuate that truth.

As they see it

Duck issue stirs emotions, letters

To the editor: Here are some comments from a wife of a duck hunter.

Hurray for Joe Remies... a duck hunter who gave his opinion about the banning of duck hunting on Belleville Lake. I think it's time for the wives of duck hunters to speak up.

As for the lake being a natural resource, it still would be a giant cesspool if it weren't for sportsmen and their dollars. Sportsmen helped pay for the clean-up with their license fees.

Why is the supervisor of Van Buren Township so worried ducks that are wild and unable to take care of themselves. Mother Nature taught them. Is the supervisor Mother Nature?

Has he the right to say no duck hunting?

Duck hunters are regulated by a point system to make sure that the duck population will not be hurt. Is fishing so different? You kill them before you eat them.

Mrs. James McCloskey
of Sumpter Township

To the editor: The members of the Van Buren Township Board of Trustees who voted against a ban on hunting in the township are to be commended for their action.

My criticism of the board for a ban

on duck hunting on Belleville Lake was directed to those members in favor of the ban.

Those against duck hunting, no doubt, don't realize that ducks come to the lake because of the hunters, not in spite of them.

The duck stamps a hunter must purchase in addition to a small game license the tax on guns and ammo. Ducks Unlimited and the hunter who takes only the number of ducks allowed by law are the reason for the ducks on the lake. The non hunter contributes very little or

nothing to conservation of wild fowl. Share a duck dinner with a non hunter and convert them.

S.K. Pullen
of Belleville

To the editor: Regarding The Belleville Enterprise front page article "Hunting ban may not be total" (Sept. 24 1975) the statement attributed to Jerry Maton during a meeting of the Van Buren Board of Trustees to the effect that he suggested hunting be banned in the

entire township, is incorrect.

For the record, it was Maton's suggestion that hunting be banned from Huron River Drive to I-94 and from Rawsonville Road to Haggerty Road, which is a thickly populated area, making hunting dangerous to the residents and travelers in that location.

Your cooperation in helping to correct this error will be appreciated.

The Enterprise-Roman is committed to bringing the Bicentennial closer to our readers. And as part of that effort, a series, "The Michigan Big Story," will be published weekly. The 76-part series includes topics which contributed to the shaping and direction of the State of Michigan. The impact which this series is certain to have will provide a legacy for future generations of readers as they look back on what we did to celebrate the Bicentennial in Michigan, according to the Michigan Revolution Bicentennial Commission. The series is being prepared by the commission.

DETROIT (APRIL, 1947)—Henry Ford, Detroit auto pioneer, is dead at the age of 83. He died four years after turning over the reins of his auto empire to his grandson, Henry Ford II.

Ford pioneered the development of the mass produced automobile. In 1907 he decided to build one car the Model T. Fifteen million Model T's took to the road from 1908 to 1927 and changed the world.

Ford sold his car at a reasonable price.

He once said: "The right sales price is always the lowest price at which, all things considered, the article can be manufactured...it is the duty of the manufacturer constantly to lower prices and increase wages."

Ford pioneered the idea that the workers in his auto plants also were consumers who would one day buy the cars they produced.

In 1907 the Model T Roadster cost \$825. In 1925 it cost \$260 and over two million were produced that single year.

In 1915 when the average manufacturing wage was \$11 per week, Ford announced a \$5 per day wage

By lowering car prices and increasing wages Ford put the world on wheels.

That's my staff

A source of pride

By LUCY WIESEND
Enterprise-Roman Editor

I'm pretty proud of the newspapers my staff produces including The Daily Eagle, serving the Wayne-Westland Community; The Belleville Enterprise; The Canton Eagle, and The Romulus Roman.

And I'm proud of the people who make up my staff including News Editor Sue McDonald, Sports Editor Tom Mooradian, Chief Photographer Lothar Konietzko, Suburban Living Editor Lee Smith, and reporters Henry Cantin, Maureen Rademacher, Jim Carravallah and Kay DeBord.

We're not a large staff. Lord knows, we certainly could use a lot more bodies around the Editorial Department to do even a better job than we do. But we do try to stay on top of the news and effectively cover all the communities we cover.

This week we are celebrating National Newspaper Week. And as a tribute to the people who have worked so hard for all those years to make the Enterprise-Roman a success, I would like to point out the efforts of Mrs. Smith, Bert Osterberg and Diane Ferguson.

Now, Bert and Diane are not members of my editorial staff, but they both are vital elements in the success of The Enterprise-Roman. Bert sells advertising and runs the downtown Belleville office; Diane answers the phone, takes classified ads and subscriptions. And she's a good news source too. She knows what's important in the community and she knows a lot of people and tries to keep us tuned in on what is happening.

Lee also is very important as a contact person with the community and does a marvelous job providing readers with all the society-type news involving local residents.

During Newspaper Week, I salute these three long-time employees of The Enterprise-Roman. And also let's not forget the efforts of Jim Carravallah, who writes for us.

Recently Panax Corp.—owner of Associated Newspapers which publishes The Enterprise-Roman—recognized some of our efforts.

Three of our staff members came away from the annual Panax Editorial Excellence Contest winners. They include Lothar with a third place in feature photography; Sue with a third place in front-page make-up and Maureen with a second place in features.

Lothar's prize-winning photograph will be remembered by many readers of The Enterprise-Roman. It's his picture of the two raccoons he captured sheepishly clinging to a tree and was used in his Profiles in photography column on the Editorial page. That photograph not only won Lothar the prize, but praise from many local citizens. In fact, a number of individuals called and asked for reprints of it because they thought it was so good.

Sue's prize was for one of the front pages she designs every day. Sue, as news editor, not only is responsible

for copy reading the stories to make sure there are no grammatical errors or "holes" and that they read well, but she also must put the stories and photographs together to make a pleasing page. (By holes in a story, journalists refer to possible missing facts).

Maureen's prize-winning story probably will be remembered by many. It was the one about crib deaths which was published as a Suburban living feature. With her warm and tender approach to the story, Maureen interviewed mothers whose children's deaths were labeled as a "crib death" and she explained how an organization of these women had been formed. The mothers try to console each other and help others through the difficult time after these mysterious deaths.

Although my staff members did not come away from the competition

with any first-place awards, I am proud, nonetheless. We were competing against 37 daily and weekly newspapers owned by Panax in Michigan, Illinois, Indiana and Florida.

Last year The Eagle staff gained two awards. A first place for a series on child abuse and a special recognition award for front-page make-up.

The competition, this and last year, was part of the annual Panax Editor's Conference held in Boyne Falls. Judges in the competition were Verne E. Edwards Jr., chairman of the Department of Journalism at Ohio Wesleyan University, and Donald J. Hoenshell, editor of The Sacramento Union (formerly editorial director for Panax Corp.).

The 3-day conference was aimed at improving the editorial excellence of all Panax newspapers. It allowed Panax editors time to swap jokes and discuss the serious business of newspapering, and it included a series of lectures and panel discussions.

Speakers at the conference included John P. McGoff, president of Panax Corp.; Frank H. Shepherd, executive vice-president; David Offer, formerly of the Milwaukee Journal; Tom Greene, state editor for TV Channel 2; Edmund C. Arnold, Department of Journalism at Syracuse University, and Edwards and Hoenshell.

And one Panax editor put it very nicely when he said: "The thrust of the conference was directed at a common goal — to make Panax newspapers livelier, more readable and more effective in the traditional newspaper role of serving both as the conscience of the community and as a catalytic force in effecting positive community accomplishments."

Panax is in the business of creating effective community newspapers, and that's what we are striving to be. With the help of a good staff, we're on our way.

ARTISTS DISPLAY HANDIWORK — Belleville Bicentennial Committee's first Old Tyme Festival, featured the handiwork of many artists and craftsmen from not only Belleville but surrounding communities. A display of local artists' talent was admired by Brie Williams of

Belleville. The paintings, along with many other items of arts and crafts purchased by visitors at the Sept. 20 festival will help finance the establishment of a park on High Street at Belleville Lake. — The Enterprise-Roman photo.

Bicentennial panel: Volunteers made fair

Members of the Belleville Bicentennial Commission believe it's the volunteers who helped make the recent Old Tyme Festival a success in the city's streets.

And for that reason, Judy Fruit, chairman of the commission, said she wants to thank all those who worked hard.

More than 25 persons deserve credit for making the Bicentennial event, which featured a visit to the city by the Michigan covered wagon.

Among those Mrs. Fruit said she wants to thank were Justin Emerson, Russell Price, Carol Schank, Delbert Russell, Betty Tontalo, Avis White, Charlene Tator, Pat Campbell, Dave Sam, Donna Doane, Mike and Barbara Starkey, Ronald Wheeler, Orlo Roberts, George Miller, Bud Brown, Helmut Weiss, Patricia Burns, Phyllis Greer, Anne Obie, Dennis Miller and Louise Pitcher.

Groups which participated in the event include the Belleville Area Jaycees, Belleville Area Businessmen, Belleville Area Chamber of Commerce, Belleville Police Department, Belleville Department of Public Works, The Number, Elwell Entertainers, Van Buren School District, Belleville High School Jazz Band, marching band and chorus and the school's art department.

"Without the help of these people, and others who volunteered, but were not able to work because of the weather, this event would not have been as entertaining as it turned

out to be," Mrs. Fruit said. Those groups which volunteered but weren't able to perform include Joy Powers, a folk singer, The Sword and Kids, Heaven's Spirit, Detroit Gold and

Lee Jacobs' horse shoe pitching.

In addition, Mrs. Fruit said she thanks the Belleville area merchants for furnishing space for displays.

At co-op nursery

Preschoolers start year

Students, parents and teachers have embarked on another year's work as part of the Huron Countryside Co-operative Nursery in Huron Township.

More than 40 preschool-aged children have begun classes in the Monday and Friday sessions held at the Huron Elementary Building on Merriman Road and West Huron River Drive in Huron

Township. Welcoming back the youngsters is the teacher Sharon Wilson, known as "Miss Sharon" to the students.

During the year, the youngsters will enjoy a variety of experiences geared to their individual learning needs and interests.

Plans call for crafts work, physical play, art, music, story-telling, nature

study, cooking, wood-working, dramatic studies, field trips and celebrations of both holidays and birthdays.

Parents working in the cooperative have become involved in clerical work, maintenance, publicity, fund raising and classroom education.

They attended a special orientation meeting Sept. 3 to learn details of charting

their children's progress through the program.

According to Ann Summitt, the nursery is experiencing growth and an increase in demand because of its low cost and program.

"We attribute the acceptance of the program after only a year and a half of operation to the dedication of the co-op's members, the support of

area merchants and newspapers and the help of the Huron School District and the Greater Detroit Cooperative Nursery Council.

Space still is available in the nursery school for any Huron-area residents who are interested. Information on joining can be obtained by calling the membership chairman, Mrs. Sallie Hardt, at 941-4238.

School to offer PSAT

The Preliminary Scholastic Aptitude Test (PSAT) and the National Merit Scholarship Qualifying Tests (NMQST) have been scheduled for Oct. 22 at the Belleville High School.

Students wishing to participate in the tests are being requested by school officials to contact their high school counselors.

The PSAT and NMQST programs offer students an opportunity to find out more about themselves and to get information helpful in planning for education beyond high school.

Participating students become eligible to enter certain educational programs and centers that use PSAT and NMQST scores.

Reunion planned

Members of the Class of '55 of Fordson High in Dearborn will be gathering at the Hawthorne Valley Country Club in Westland No. 8 for a 20-year reunion.

Former classmates interested in attending the gathering should contact either Bob Greene at 581-1461 or Gloria Bolley Gronau at 278-6346.

Twelve young Belleville High School seniors have entered this year's Junior Miss Pageant, sponsored annually by the Belleville-Van Buren Jaycees.

The 1975 Junior Miss Pageant will be held at 7:30 p.m. Oct. 15 in the Belleville High School Auditorium.

The 12 girls vying for the title of Junior Miss for 1976 will be judged on scholastic achievement, poise and appearance, mental alertness, talent and youth fitness.

Attending a recent orientation meeting were contestants Debbie Morgan, Tina Hendrickson, Paula Caldwell, Terri Gamble, Robin Schmidt, Cindy Farmer, Beverly Lashbrook, Diana Bolton, Diane Schmidt, Renee Clay and Sue Gercek.

The Junior Miss contests awards the winner of the Junior Miss Pageant a 60 percent scholarship to Eastern Michigan University, a U.S. Savings Bond, with many other prizes for the runner-up.

The contestants will meet the contest judges at a forthcoming pizza party to be held at the home of

Mr. and Mrs. Conrad J. Samonek in Van Buren Township.

The judges for this year's

pageant are Mrs. Cleveland Roe, president of Education,

Mrs. John

Roberts, homemaker and former hairstylist; Neil Bucholz, instructor and coordinator of an-

apprenticeship for the plumbers and steamfitters of Local 190 in Ann Arbor; and Mrs. Gerald Car-

penter, teacher and president of the Michigan Education Association (MEA) of Ypsilanti.

The winner of the Junior Miss Contest will in the regional pageant to be held in early December.

Romulus re-submits bids for creek cleanup

Because original bids came in higher than expected, the City of Romulus again will advertise for proposals for the cleanup of the Trouton Drain which flows into the Ecorse Creek in Romulus.

The second try at netting bids within the expected estimates was authorized by the Romulus City Council. The first bids exceed the estimated cost of the project.

The Trouton Drain flows near Chemical Recovery Systems Inc., located on Van Born Road, which allegedly has become contaminated from polluted ground water from the firm's waste lagoon. Investigators from the state's Water Resources Commission said the company has missed its

deadlines on eliminating the waste lagoon which apparently has contaminated the ground water.

The commission wants to know why the owners of the firm, Peter Shagena and Charles Norton, have been unable to comply with pledges to rectify the situation, made more than

a year ago. The two men currently are facing financial problems over an ill-fated sports venture, the Michigan Stags, a disbanded professional hockey team.

Because of the pollution problems, the commission felt that the cleaning of the drain by the city would

assist greatly in ridding the area of the situation.

Residents living near Ecorse Creek have been complaining about the pollution for several years and odors created by the firm according to city officials.

In June 1974 Shagena appeared before the

resources panel to explain that the major problems at the company's site were inherited from the previous owners and reportedly liquids would be removed by this last spring.

Dave Dennis, a state investigator, while admitting that some progress has been made at the

company site, said the firm has failed to meet the time tables, despite extensions.

Dennis said the firm also has failed to submit monthly progress reports as promised. The company's owners were supposed to explain the delays two weeks ago, but requested an extension because the attorney was unable to attend due to previous commitments.

Shagena has requested that the matter be delayed until the commission's session this month. That body has agreed to delay the hearing rather than turning the matter over to the attorney general's office.

To date about 11,000 barrels of waste have been eliminated, according to

the firm, but the state wants additional guarantees that the remaining 23,000 barrels won't contaminate the ground water.

PTAs host candidates meet

The Romulus Area PTA Council is sponsoring a "Meet The Candidates Night" at the Romulus High School Auditorium.

Scheduled for 7:30 p.m. Oct. 17, the meeting will feature short speeches by

all candidates in the Nov. 4 general election and a debate between mayoral candidates incumbent Terry L. Troutt and challenger James C. Stewart.

A spokesman for the PTA

council said the meeting was set up in response to a request from members of local PTA units.

Persons attending the meeting will be able to question candidates on their platforms and

policies during a special portion of the meeting.

The PTA is hoping that a local politician not involved in the race, possibly one of the two district judges, will preside over the meeting. All area residents are invited to attend.

EXAMPLES OF L-O-O-S-E SPENDING OF YOUR TAX DOLLAR IN ROMULUS:

1.) Present administration salaries - \$517,560.00 yearly
Past administration salaries - \$217,500.00 yearly
INCREASE \$300,060.00 yearly
This \$300,060.00 increase in payroll comes out of your tax dollar. What have you received to substantiate this increase?

2.) Present administration non-union employee count: 39
Past administration non-union employee count: 19
ADDITIONAL EMPLOYEES 20
For 20 additional employees we receive no more help or service than we received before. This is cronyism to the limit paid by your tax dollar.

3.) Present Mayor's budgeted salary - \$23,500.00 annually
Past Mayor's actual salary - \$17,500.00 annually
BUDGETED INCREASE \$6,000.00 annually (approved by the "rubber stamp" council)
The Mayor should be the contact between the people and government, but, he is seldom available to the people or on the job he was elected for.
NOTE: A GOOD INCREASE FOR AN ABSENTEE MAYOR. Let's use our tax dollars for a Mayor that will be more available to the people.

4.) Engineering Cost	\$ 191,859.00	UP \$ 30,000.00
Attorney's Fees	\$ 64,717.00	UP \$ 38,000.00
City Planners Fee	\$ 42,512.00	UP \$ 22,000.00
General Operating Cost	\$4,534,909.00	UP \$1,097,954.00
TOTAL INCREASE		\$1,187,954.00

Also:
1973 Previous administration City Operating Millage.... 5.0 (\$5.00 per thousand)
1975 Present administration City Operating Millage ... 10.0 (\$10.00 per thousand)
NOTE: OVER ONE MILLION DOLLARS OF TAXPAYERS MONEY SPENT ON ...WHAT?

5.) Contrary to city charter and State law, a \$10,000.00 check was issued by the present Mayor to one of our city attorneys without prior council approval or prior and justifiable statement for alleged services rendered from this attorney.
HOW HIGH WILL OUR TAXES HAVE TO GO UP SHOULD THIS TYPE OF SPENDING CONTINUE?

6.) Unnecessary Special Elections cost the taxpayer extra money too.
REMEMBER THE RECENT SPECIAL ELECTION TO PUSH THE BLANK-CHECK BOND ISSUES? STRICTLY A WASTE OF TAXPAYERS MONEY.

7.) Cost of Department of Responsive Government (newly created department) ... Lambert, Bingamen, & Secretary (2 years salary) - approx. \$85,000.00
MAYORS ARE ELECTED TO LISTEN TO THE PEOPLE. UNLESS THE MAYOR IS NEVER IN HIS OFFICE, WHY DO WE NEED THIS TREMENDOUS EXPENSE.
A RESPONSIVE MAYOR WOULD BE CHEAPER. THE "NEEDED CHANGE" IS A MUST.

8.) Industrial Coordinator - Salary for 2 years ...\$34,728.00
We need an Industrial Coordinator, but we need something for our money too.

The duties of an Industrial Coordinator are to bring business and industry into Romulus.

How can this be accomplished by an Industrial Coordinator who works at election polls and knocks on doors for political purposes during regular working hours? (Incidentally, our Industrial Coordinator is not a resident of Romulus. He lives in Birmingham, Mich.)

THIS IS TAXPAYERS MONEY BEING SPENT AGAIN FOR POLITICAL PURPOSES. With tax burdens such as we have and the continuance of l-o-o-s-e spending like we are experiencing now, Romulus has the best reason to discourage business growth; especially, when ALL taxes are on the increase; city, county, and state. State equalized value also increases year-after-year which affects homeowners, business, and industry. AN INDUSTRIAL COORDINATOR SHOULD HELP ALLEVIATE THE TAX BURDEN—NOT MAKE IT HEAVIER.

9.) Present administration with their "rubber stamp" council are hiring or allowing many out-of-city residents for city paid positions in Romulus.
Two years ago these same people voiced strong protest because of one clerical employee, (salary less than \$7,000 a year) who allegedly resided out of the city, was on city payroll.

Now administration and "rubber stamp" council pay salaries like \$17,728.00 annually to a Birmingham, Mich. man, \$18,228.00 annually to a Detroit, Mich. man (this Detroit man is the highest paid department head in the city), and have many non-resident clerical employees.

WE STILL BELIEVE ROMULUS MONEY SHOULD STAY IN ROMULUS. IF IT WAS WRONG 2 YEARS AGO—WHAT MAKES IT RIGHT NOW?

10.) Current Administration Ordinance Enforcement Officers: Kubiak, Koch, Darnell, Total yearly salary - \$38,184.00
Past Administration Ordinance Enforcement Officer - Total yearly salary - \$11,000.00
INCREASE \$27,184.00

An increase of nearly \$55,000.00 in salaries was paid out during the last 2 years to have ordinances in Romulus enforced.

FOR THIS KIND OF INCREASE WE SHOULD HAVE ALL ORDINANCES ENFORCED AND NOT JUST A FEW WHENEVER IT IS POLITICALLY WISE. ORDINANCE ENFORCEMENT IS A RETURN ON TAX DOLLARS SPENT.

Belleville comes alive

Tigers rip Bentley, 36-19

By TOM MOORADIAN
Sports Editor

Pat Stokes is making believers out of the old football skeptics that hang around Belleville High.

Stokes and the Tigers went out and mauled Bentley's Bulldogs 36-19 to climb into a 3-way tie for second place in the Suburban 8 Conference football circles.

And the leader, Trenton, (3-0) is still on the Tiger's waiting list.

"We're quite pleased with this team," said Stokes who has waited some time to even up a score with the Livonians. Bentley has dominated the series between the two schools in the recent years. "We feel our players have jelled and we're anxiously awaiting our next test."

That test will come Friday when the Tigers travel to Redford Union, a team that has failed to win in its four starts this season.

Belleville made the most of its breaks against the visiting Livonians last Friday as Dan Theodore recovered the opening kickoff yards shy of the goal line.

Two plays later Belleville quarterback Dan Scripser went in on a sneak, then Theodore kicked the extra point, giving the host a 7-0 lead.

Bentley retaliated in the next series as the Bulldogs came right back with quarterback Russ Hodges' 14-yard TD pass to Mike Robbins. However, their bid to tie the score was foiled by Randy Slocum who blocked the point after kick.

The visitors took the lead in the early stages of the second quarter as they capped a 51-yard drive with a Hodges-to-Rick Shepard touchdown pass that covered 9 yards. Tim Oakley booted the extra point, making it 13-7.

Belleville got the equalizer and the go ahead

Sports

point after ensuing kickoff. Scripser engineered a 75-yard drive which ended with Kevin Barnes' superb 59-yard touchdown run.

Theodore then came through with the extra point, giving the Tigers the lead for good.

Belleville ruled the second half. The Tigers started the fireworks when they recovered a free ball on the Bentley 30-yard line thanks to Mark Cornett's alertness. Belleville marched to the 6-yard line and its drive stalled.

Bentley, mired deep in its own territory, couldn't move out of trouble and a fourth-down punt didn't help as Jeff Goins got to the kicker and nailed him behind the goal line for a 2-point safety.

"I feel that turned the game around for us," Stokes said. "After Bentley's free kick, we just were in control all the way."

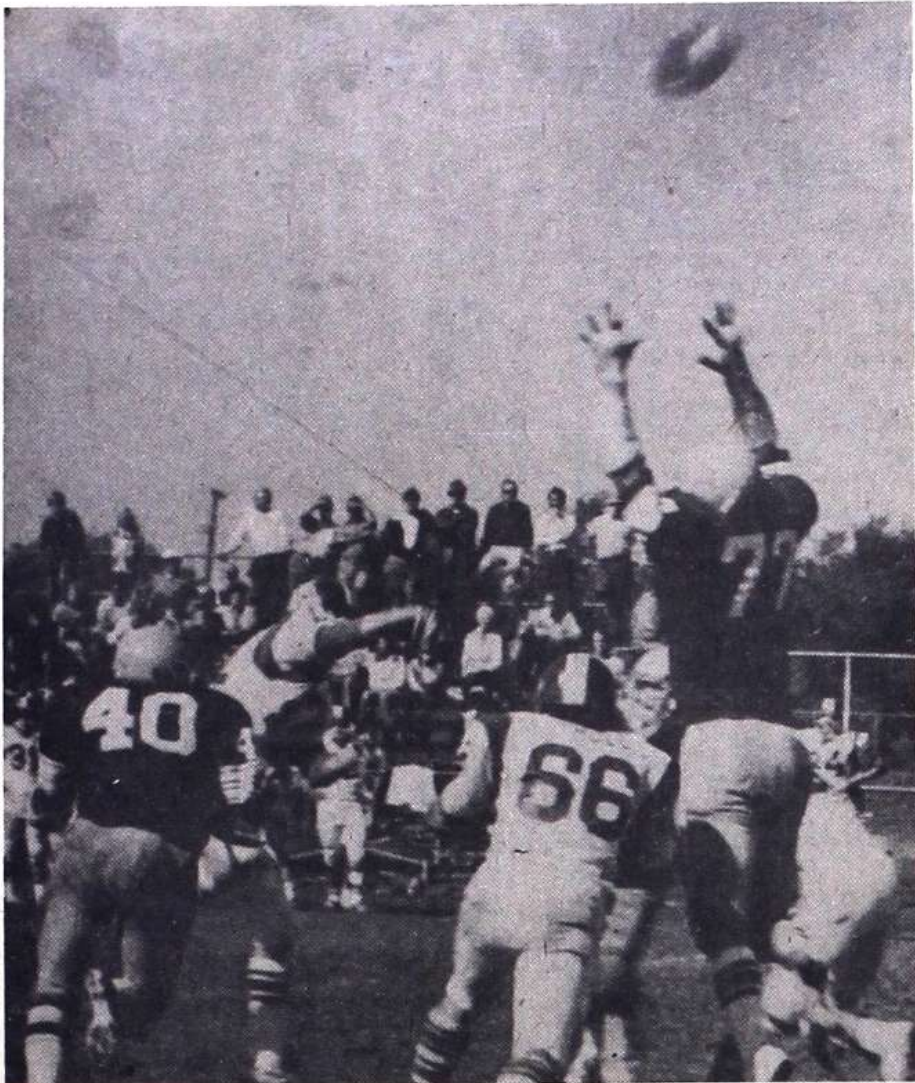

where Barnes raced in for his second TD.

Belleville scored twice in the last 12 minutes. The Tigers drove 75 yards and gave up the ball momentarily when Scripser lost the ball to a Bentley player who took it out of the senior quarterback's hands. However, the ball returned

THE RUSH IS ON—Romulus' Ed Abbott (77) and Tony Hensley (40) put the pressure on Warren Cousino's quarterback who unleashes this pass just in time. The Eagles had problems here and didn't solve them Friday at Ann Arbor Huron where two dive plays resulted in

long touchdown runs and a 21-12 Romulus defeat. Coach Tom Baldwin's Eagles will have an equally tough opponent here on Saturday when once-defeated Dearborn Heights Robichaud (3-1) takes them on at 1:30 p.m.

Romulus 'spots' Huron 2 TDs; Loses, 21-12

"You can't spot a team of Ann Arbor Huron's caliber two touchdowns and hope to win," said Romulus coach Tom Baldwin.

That's what Romulus did in suffering its third loss of the season, 21-12, Friday. "We gave up two quick TD's on dive plays and that was really the story of the ball game," Baldwin continued. "Take away the first quarter and the game is ours."

Alas, it just doesn't work that way.

Bill Peterson caught Romulus' defense napping in the first quarter and bolted through the line for a 41-yard touchdown and teammate George Overstreet did it to the Eagles later in the quarter, racing 44-yards for a touchdown as Huron built up a 15-0 lead.

Romulus was still in the game at intermission thanks to tailback Dwight

Walker's 5-yard touchdown with 5:29 left. That was set up by a pass interference call which moved the Eagles to the 20.

Then, Quarterback Michael Morrison handed off to Walker on the next play and he picked up nine yards next to the senior QB slipped to the five where Walker took it in.

Bob Blundell's attempt for the extra point missed its target.

Huron put some distance between them and their visitors, turning it into a 21-6 ball game when Overstreet tallied on a 33-yarder.

Romulus' final TD was put on the boards in the third quarter as Morrison combined with tight end Don Myers on a 10-yard scoring pass. The Eagles attempted to go for the 2-point conversion and failed.

The fireworks weren't over as yet. The Eagles made their final bid for a touchdown midway in the fourth quarter when Ed Abbott recovered a Huron fumble on the Ann Arbor 22-yard line.

A 15-yard penalty slapped on Romulus threw the Eagles back to the 37 and they failed to get a first down and handed the ball

back to the hosts who hung on the rest of the way.

Statistically, for what its worth, Romulus had 13 first downs to Huron's 9 and rushed for 170 as compared to 126. Morrison's passing netted his an additional 111 yards while Huron collected 20 for its air game.

Walker, with 15 carries and 82 yards, was the Eagles' leading ballcarrier. Morrison hit on eight of his 15 passes, one going for a touchdown.

It could have been worse if it weren't for the outstanding defensive performances of linebacker Andy Orovan and defensive end Tony Hensley who helped shut off Huron's outside rushing game.

Romulus has an equally capable opponent due in town Saturday. Once-defeated Dearborn Heights Robichaud take on the Eagles at 1:30 p.m.

"We don't know much about them," said Baldwin of his next opponent. "But, they held Rouge to only one first down, so their defense must be tough."

Robichaud lost a 19-12 battle to Rouge. It was the Heights' team's first loss of the season.

Flyers take nosedive

The Ypsilanti Braves forced the Romulus Flyers into a nosedive and before the Romulus gridders managed to pull out they had three losses tacked to their record.

The Freshmen dropped a 13-6 decision while the Junior Varsity was blanked 13-0 and the Varsity also was shut out 27-0 by the Braves.

Romulus Jr. High shuts out South

If you want to see an excellent defensive football team, then take in Romulus Junior High one afternoon.

The Panthers, unscored upon in 12 quarters, throttled Belleville South 28-0 for their second consecutive victory. (Coach Bill Thomas' minions opened up the season with a scoreless tie against Inkster John Hill.)

"After we ironed out our problems with our offense," Thomas said. "The over-all team performance has been much better. No team has scored upon us yet, and I hope we can continue this way."

Kevin Wilson gave the Panthers an 8-0 lead in the first quarter when he scored on a 19-yard sweep, then scampered off tackle for the 2-point conversion.

Romulus Keith Stout was instrumental in the next two touchdowns as he nabbed a 16-yard pass from quarterback Darryl Wilson to score, giving the Panthers a 14-0 halftime advantage. Stout intercepted in the early minutes of the third quarter and rushed back 32 yards for his team's third TD.

Wayne Jones ran in the conversion.

Backup quarterback Rob Knight sprinted 6-yards on a sneak for the Panthers next touchdown which was set up by Ben Flake's recovery of an onside kick.

Stout, along with the two

TD's, also stood out defensively as he picked off two passes and accounted for nine solo tackles. Dave

Holified, a "nose guard," blocked a South punt and was credited with five unassisted tackles.

South runners win over 3 rivals

Undefeated Belleville South breezed past three rivals to top the field in the Werner Quadrangular cross country meet in Farmington.

Coach Dave Medley's runners gathered 38 points to beat out Belleville North, which finished second with 47, Warner of Farmington (67) and Trenton (76).

However, North's John Locke set the pace for the 1½ mile course, finishing first with a 7:54 effort.

South had the second best runner in Bob Oakley who covered the course in 7:58. Teammates Gary Roach, Craig Shoup and Brian DeRousse were seventh, eighth, and ninth, respectively, while Larry Smrcka hit the wire in 12th position.

Huron learned the hard way why Belleville South is considered one of the best cross country teams in the junior high circuit.

Medley's runners "slammed" their rivals, 15-50, as they captured the first five places. Ray Byrne's led the winners around the 2-mile course,

posting a 12:12 for his efforts.

Byrne's was followed to the wire by teammates Larry DeRosse (12:31), John Enzenauer (13:18), Jerry McDermitt (13:11) and David Shelton (13:22).

South has a perfect 8-0 record on the season and is the team to catch in the league.

Even on a short business or pleasure trip to the city you are likely to encounter every conceivable traffic situation, from the serenity of a quiet residential neighborhood to the crowdedness and confusion of an intown traffic jam. The keys to sane city driving and of course all your driving, however, are patience, courtesy, and the assumption that something unusual can always happen and most likely will. Driving defensively must be practiced until it is almost instinctive.

Defensive driving also includes keeping your car in good condition! When you need parts for any car — foreign or domestic — visit KOSIN'S AUTO PARTS, 26831 Michigan. We are known as the "House of A Million Parts" and carry everything you need to keep your car running in A-1 condition. We also have a complete machine shop where expert mechanics turn brake drums, do valve work, and rebuild engines. Let our knowledgeable staff help you choose the proper parts for your car. We are open daily from 8 A.M. until 8 P.M., and on Saturdays until 5 P.M. Call us at 563-3894. Master Charge and Bank Americard are honored.

Remember to slow down and signal early at every intersection.

FUTURE ALL-STATERS—To earn the coveted all-state title, one must begin at an early stage. And the Romulus Flyers' freshmen corps are doing just that. This army of gridders compete in the Western Suburban

Junior Football League and is coached by (top row) Bill Hess, Jim Sullivan, Larry Routly, Ray Eddings and Bill Hardrick.

Romulus runners stun Ypsilanti

It appears that Romulus High cross country has arrived.

Coach Al Wilkerson's runners nipped Ypsilanti 25-30 in a dual meet and it was the first time in nearly a decade that the Eagles had out-run their nonleague rivals.

"I'm really proud of our boys," said Wilkerson whose team now has won three of its four meets. "We haven't beaten Ypsi in about 10 years, so you have to be elated over something like this."

"I feel we matured an awful lot today."

Dernado Green led the Romulus pack who nailed down the third through seventh spots. Green was clocked for the 3-mile course in 16:57 and he was followed to the wire by Robert Lemmon (17:26)

Joe Schieda (17:31), Jeff Warren (17:33) and Steve Zimmerman (17:33).

With Wendall Buckley and Zimmerman on the side-line because of illness, Romulus' 2-meet winning streak ended at Dearborn Heights Crestwood 22-35.

"I was disappointed in the outcome of the race," Wilkerson said. "But, when you figure you have your No. 2 and No. 3 runners out of the lineup, then it's difficult to compete."

Buckley is nursing a knee injury while Zimmerman was sidelined with the flu.

Joe Schieda's 17:41 was the best time turned in by a Romulus runner and that was good enough for third place. Teammate Bob Lemmon finished fifth (17:56) while Denardo Greene was sixth (17:57).

Belleville rolls, 36-19

(Continued from Page A-8)
to the Tigers when the "thief" was hit and fumbled, Belleville recovering at the 34-yard line.

Barnes went in on a quick pitch and Theodore kicked his fourth of five extra points.

With six minutes to go, Bentley was back on the scoreboard with a Hodges-to-Robbins' TD combination.

Belleville wound up

cashing in on a Bentley punt that landed on the Bulldogs' own 19-yard line. Scripter tried three unsuccessful plays, then picked out Harold Dennis on a fourth down and hit him with a 16-yard TD pass.

Barnes had his best night of the campaign as he rushed for 207 of the Tigers' 316 total yards. He had 18

chances. Scripter rushed for 46 yards in 10 attempts and Theodore had 47.

Jeff Bramble, who led the interference on the effective pitchouts, was singled out for praise as was defensive tackle Jim Dyer.

Tony Turrentine, a middle guard, had nine

solos and two assists and teammates Chuck Brezeale and Theodore also came up with stellar defensive performances. Bentley had the edge in first downs 13-7, but Belleville amassed 300 yards from its ground game and 16 in the air as compared to the Livonians' 110-yards on the ground and 183 in the air.

Cougars sweep three wins

The Garden City Tigers were just what the Belleville Cougars needed as a morale booster. The Cougars swept all three games from their Little League football rivals.

Belleville won the freshmen game 25-13, then the Junior Varsity shut out their peers 14-0, while the Varsity carved out a 14-6.

The freshmen turned a couple of Garden City fumbles into touchdowns. Artie Messer recovered a Tiger fumble on the Garden City 10-yard line and quarterback Sam Villa handed off to Scott Thompson on the second play from scrimmage and Thompson scored from 11 yards out.

Frank McDaniel made good on the extra point as the Cougars built up a 7-0 lead.

Belleville made it a 13-0 ball game in the third quarter as Craig Daroci pounced upon a fumble on the Tiger 33-yard line. Villa picked out Thompson again and he responded with a 33-yard TD run.

Garden City cut into the Cougar lead with Tim Downey's 48-yard touchdown sprint. However, Belleville got the six points back when Villa combined with Jim Daniels on a 25-yard scoring pass-run play.

Belleville tilted the scoreboard in its favor again when Brock Nigg jarred the ball loose from a Tiger halfback and Artie Messer recovered at the 10-yard line. Villa and Thompson clicked on a 10-yard pass for the last TD.

The Cougars received an excellent defensive effort from linebacker Roger Tepleman who was in on at least 10 tackles.

John Solen capped a 45-yard drive to put the junior varsity on the boards in the first period and Mel Richendollar picked off a Garden City pass and raced back 14 yards for a touchdown to account for the Cougars' fourth period score.

Belleville defense pinned Garden City into the end zone for a safety to account for the final two points.

John Memering's fumble recovery set up John Verrot's touchdown in the varsity game. Quarterback Tim Rolls and Verrot teamed up for a 30-yard scoring pass.

WSU's cage clinic features top coaches

Wayne State University's Super Clinic III, a day-long look at basketball, will be held Nov. 8, in WSU's Matthaei Building with five top coaches joining Tartar coach and clinic director Bob Samaras.

Samaras has lined up Michigan State University Head Coach Gus Ganakas and Detroit Pistons scout and former Illinois State and Detroit Pershing coach Will Robinson to keynote

Super Clinic III and will supplement their efforts with three top area high school coaches and himself.

The high school coaches on this year's staff include St. Clair Shores Lakeview's Dick Black, Detroit Murray Wright's George Duncan and River Rouge's Lofton Greene. Each high school coach will bring underclassmen players to

demonstrate drills and ideas.

This year's Super Clinic III will open at 11 a.m. and run to 5 p.m.

Samaras said that Super Clinic III is open to men and women coaches at all levels from college, junior college, high school, junior high school through CYO and age group levels as well as fans interested in basketball.

Additional information may be obtained or reservations made by writing Super Clinic III, 101 Matthaei Building, WSU, Detroit 48202, or by calling 577-4280.

Youngsters win PP&K Contest

A record 75 contestants took part in the annual Punt, Pass & Kick Contest held at Belleville High over the weekend.

The winners included: Kurtis Bunn, in the 8-year-old age group (109 feet); Eric Ball, 9-year-old (133 feet); Tim Hunter, 10-year-old (172½ feet); Sam Villa, 11-year-old (184½ feet); Rick Routly, 12-year-old (207½ feet) and John Swoffer, 13-year-old (239 feet).

The champs in their respective age group will advance to the district competition which will be held 10:30 a.m. Saturday at Shadford Field in Ypsilanti.

The contest was sponsored locally by Atchinson Ford, the Kiwanis Club and Romulus Jaycees.

ANNOUNCING THE FINISH-IT-YOURSELF HOUSE™

THE HOME YOU THOUGHT YOU COULDN'T AFFORD AND THE FINANCING YOU THOUGHT YOU COULDN'T GET.

These days, you're not likely to find a \$40,000 house selling for \$25,000. But if you're willing to do some work, you can earn yourself a bargain. We'll even finance it for you. Here's how it works.

we don't compromise on quality. Our materials and building specifications are considered old-fashioned in this day of the jerry-built wonder, but that doesn't bother us. We've been building quality homes for almost 30 years and we're too proud to change now.

CHOOSE YOUR LOCATION
First, decide on the area where you'd like to live. Then find a nice piece of property and buy it. Suitable building lots can range from a few hundred dollars on up, depending on size and location.

CUSTOMIZE THE HOUSE PLANS
Choose one of our 78 designs. You can modify the plans to suit your family size, your way of living, and your budget.

You also select the roofing, siding, and all the interior appointments such as kitchen and bath accessories, doors, windows, flooring, lighting fixtures and so forth.

This way, you can make your home just what you want it to be.

OLD-FASHIONED CONSTRUCTION
We do the heavy construction and completely enclose your home. You'll find that

general contractor's profits. And when you're finished, you'll not only have a home that's worth a lot more than you paid for it, you'll have a real feeling of accomplishment.

WE'LL PROVIDE FINANCING
Because we believe in our homes and in the people who buy them, we provide the financing.

Your down payment won't put a big dent in your savings. (The cost of your building lot can be the only major cash outlay you'll have to make.) You can finance the rest of the cost through us at competitive rates. And if at any time you find a better financing arrangement, you can switch over with no pre-payment penalty.

104-PAGE CATALOG
If our finish-it-yourself plan makes sense to you, send the coupon to Capp Homes, and we'll mail you our full-color "Idea Book" of 78 plans. Why let the high cost of housing force you to settle for less?

Belleville man completes naval basic training

A Belleville man has completed his recruit training at the Naval Training Center at Great Lakes, Ill.

Navy Seaman Recruit Lorin R. Luckhardt, the son of Wayne Luckhardt of 6555 Outer Drive,

Belleville, attended classes in seamanship, military regulations, fire fighting, close order drill, first aid and naval history while at the center.

Also in the armed forces are: Navyman Glenn L.

Jones, the son of Mr. and Mrs. Clifford R. Jones of 46959 Lauren Court, Belleville, also was graduated from recruit training at the Naval Training Center, Great Lakes, Ill.

His classes include instruction in seamanship, military regulations, firefighting, close order drill, first aid and Navy history.

Now serving at Wright-Patterson Air Force Base, Ohio, with a unit of the Air Force Systems Command is Lt. Col. John L. Kurzenberger, whose wife, Diann, is the daughter of Mr. and Mrs. Leo E. Smerza of 11930 Ryznar Drive, Belleville.

Col. Kurzenberger, a development engineer, previously was assigned at

Kirtland Air Force Base, N.M.

A 1954 graduate of Coral Gables High School, the colonel received his Bachelor of Science degree in aerospace engineering in 1958 from the University of Alabama and was through missioned there through the Air Force Reserve Officers Training Corps program. He earned his Master of Science degree in

aerospace engineering in 1963 at the Air Force Institute of Technology at Wright-Patterson and his

Ph.D. degree in Astronautical engineering in 1966 at the University of Michigan.

LORIN LUCKHARDT

Cadet Michael Alimpich, the son of Mr. and Mrs. George Alimpich of 44080 Michigan Avenue, Belleville, recently entered his freshman year at the U.S. Military Academy at West Point, N.Y.

He had begun four years of academic study and military training that will lead to a bachelor's degree and a commission as a second lieutenant.

A 1975 graduate of John Glenn High School in Westland, Cadet Alimpich received a congressional appointment to the academy.

The U.S. Air Force has promoted Terry B. Stevens, the son of Mr. and Mrs. Stephen B. Stevens of 15425 Oakbrook, Romulus,

to the rank of airman first class.

Airman Stevens is serving at Wurtsmith Air Force Base, Mich., as a pavements maintenance specialist.

The airman, a 1972 graduate of Romulus Senior High School, received an associate's degree in 1975 from Michigan State University.

Trades class ready to build third home

A third new home building project has been initiated by the Building Trades Program of Belleville High School.

The trades class, part of the Van Buren Public School District's Vocational Education Program now in its third year of operation, under the supervision of Bill Nagy.

Groundbreaking ceremonies for the new home project was held last Wednesday at the site on Beverly and Sheldon roads in Van Buren Township.

Currently, 30 students attending the high school are participating in the Building Trades Class — a credit course at the school. Classes are conducted in the morning and afternoon under the watchful eyes of qualified instructors.

The Trades Program will be involved in the construction of a ranch-style home on the last of three lots, purchased at the location by the school district.

During the two previous years of the program, students constructed two other ranch-style homes on adjacent lots. Those homes were sold through local

Hunter classes planned

Under Michigan law all hunters age 12 through 16 years old must be certified to be eligible to buy their first hunting license.

An opportunity to become eligible is being offered by the Wayne County Sportsman's Club which is sponsoring a hunter safety class on Saturday and Sunday at the club, located at 18102 Inkster Road between Pennsylvania and Sibley roads in Romulus.

Registration for the class will be held from 9:30 to 11 a.m. with classes starting at 11 a.m. and continuing until 4 p.m.

A \$2 fee must be paid at registration time. In addition the student pays \$2 which will be sent along with his successful test to Lansing. Only the \$2 registration fee will be collected at time of registration.

FUTURE BUILDERS—Two students participating in the Building Trades Program at Belleville High School pause for some refreshments during the recent groundbreaking ceremonies, signaling the construction start of a third home building project at Beverly and Sheldon roads by Building Trades Class. Dave Bucks (left) and Sid Rhodes are among approximately 30 students involved in the home building program.

Ex-Elwell School member receives teaching accolade

A former member of the teaching staff of the Elwell Road Elementary School in the Van Buren Public Schools District has been selected as one of the Outstanding Elementary Teachers of America.

She is Laura Gene Bosscher now of Ravenna, Mich.

Mrs. Bosscher taught at the Elwell School for three years until last June. She was recommended for the honor by Elwell School principal William Chizmar.

She moved to Ravenna, following the opening of a dentist office by her husband, Gerard.

Outstanding Elementary Teachers of America is an annual awards program, honoring distinguished men and women in the field of elementary education.

Each year, the complete biography and record of achievement of each outstanding teacher is presented in the awards volume, "Outstanding Elementary Teachers of America."

The selections are made on the basis of their professional, personal and academic achievements.

The selected teachers this year now are in competition for one of the five national Outstanding Elementary Teachers of the Year Awards. Each national winner will receive a \$500 unrestricted grant and an award commemorating their selections.

Panel eyes 1976

The Van Buren Township Bicentennial Commission already has initiated planning for 1976 Fourth of July Parade.

At a recent meeting the commission decided to hold the parade along Ecorse Road, the route of this year's parade.

Also planned for next year's celebration is an inter-state drum and bugle corps competition prior to the weekend of the Fourth of July.

The parade will include floats from area high schools and service groups as well as marching bands and various musical groups from throughout the township.

The commission also is cooperating with the Romulus and Ypsilanti Parade Commissions in time, scheduling and coordinating participants for the activities and festivities, a commission spokesman said.

Guild set for sale

The Mothers Guild of St. Stephen's Church of New Boston will sponsor a "Fill A Bag Sale" from 10 a.m. to 3 p.m. Saturday at the white building, located behind the St. Stephen's Catholic School on Huron River Drive and Sibley Road.

Parishioners and other interested parties are being asked to fill a grocery bag with clothing or other articles, but not food for the upcoming sale.

FIRE IS DEADLY!

Careless, unthinking, haphazard habits can become a way of life that can be dangerous. Practice good fire-safe habits all year. Here's a checklist that you could call "Preventive Medicine":

Practice Fire-Safe Habits All-Year

- Do not smoke in bed, or while watching TV when you are tired.
- Check appliances for proper & safe wiring.
- Keep matches out of reach of small children.
- Clean up - remove rags, trash, papers, in & around the home.
- Pre-plan an easy escape exit from your home and know how to call your fire department.
- Have furnace serviced regularly.
- A good fire insurance policy is a must.

Dela' staves off battle

Smith is mental health director in state

By BOB BERG
Panax Lansing Bureau

An unwilling delay of more than nine months in the appointment of Dr. Donald Smith as state mental health director has saved him from a bloody confirmation battle in the Michigan Senate.

The man who was ready nine months ago to fight Smith's

appointment, Sen. Joseph Snyder (D-St. Clair Shores) says he has concluded in the intervening months that Smith does care about the needs of mental health. And he says that on a pragmatic level, no one has come up with a viable alternative to Smith.

Snyder is the upper chambers acknowledged expert in the mental health field. His feelings on the appointment of a mental health director have a great deal of influence on the

other senators so his change is vital to Smith's confirmation.

Smith originally was named acting director of the department in June 1974, and told to head up a search for permanent director. In January of this year Gov. William G. Milliken announced he was appointing Smith to the post permanently.

Later that same day, however, embarrassed Milliken aides discovered Smith couldn't be appointed legally until August, since the new mental health code allowing non-psychiatrists to head the department didn't go into effect until then. Smith's medical specialty was pediatrics.

Milliken has held off making the permanent appointment until the Legislature returns this month, so it won't appear he is trying to sneak it by. The Senate has 60 days to disallow such appointments and if no action is taken they automatically become permanent.

He has left no doubt about his intentions, however, telling a Southfield audience in early September Smith "is an exceptionally capable administrator who has a deep understanding of the sensitive human issues with which his department must deal."

That put the ball in Snyder's court. Snyder is chairman of the senate appropriations subcommittee on mental health and he has worked closely with Smith this year in drawing up a final budget bill.

"There have been several instances on the plus side in which Dr. Smith seems to have been an advocate of mental health behind the scenes," Snyder said. "For instance, the governor signed the mental health bill without any line item vetoes. When Jack Dempsey wanted the social services department to monitor after care facilities for persons released from hospitals, Dr. Smith insisted that mental health do it."

Snyder added that during the budget process "we were able to sit at a table with him and persuade him the needs of mental health weren't being met under the governor's original proposal."

The lawmaker said there are pragmatic parts to his support as well.

"You've got to ask if you reject him who you're going to replace him with," Snyder added. "With the attitude of the Legislature toward salaries, I doubt if we could get a name candidate to come into Michigan."

"You just can't say to 12,000 people in institutions and 30,000 out in the community 'You're just going to have to drift along until we come up with something.' If we aren't satisfied with Dr. Smith we have to offer an alternative."

He also is swayed by the fact "I haven't heard any hue and cry from professionals who might be in opposition."

There is no doubt, that he would have opposed Smith last January.

"But I learned a long time ago you can't just make up your mind and never change it," he added. If things happen to change your mind, it's a small person who won't do it."

There still will be Senate hearings on the Smith appointment, since it is a major one. But with Snyder ready to vote for him, Smith won't have to wear a bullet proof suit to the hearings.

That wasn't the situation in January and that's why a delay that proved embarrassing at first has resulted in a big help to him.

Home contracts can be rescinded

Having second thoughts about the contract you signed with that fast-talking, door-to-door salesman? You still can change your mind, according to Michigan Attorney General Frank J. Kelley.

As a Michigan resident, citizens have the right to cancel or rescind any contract made in their home for the sale of goods and/or services of more than \$35.

All a resident has to do to cancel a contract is notify the company in writing within three business days. Technical or specific wording isn't necessary, just as long as the decision to cancel is shown, Kelley said.

The law also requires that, to be valid, any contract signed in the home must bear an easy-to-see notice that the customer has the right of cancellation.

If, however, a company delivers the goods before the three days are up and a

resident decides to cancel, he or she is required to take good care of the merchandise. However, if the seller does not pick up the goods within 40 days, the resident can dispose of it as he or she sees fit.

Any services performed at the home during the 3-day cancellation period are free, if the agreement is cancelled, he added.

When signing a contract, residents should remember that the right of cancellation does not apply to the sale of insurance, agricultural equipment, horticultural products, sales made on pre-existing charge accounts, or as part of previous negotiations at a local business establishment.

Any seller or holder of a contract who sues a consumer on a contract solicited in his home also must show that they were at all times in compliance with the law, otherwise, they may not use the courts to collect on the contracts, Kelley said.

FRANKENSTEIN VISITS BELLEVILLE — The Van Buren Bicentennial Committee celebrated the 100th birthday of the old Van Buren Township Hall, one of Michigan's historical sites, located on Main Street in Belleville. The birthday observance, held

on Sept. 20, was in conjunction with the City of Belleville's Old Tyme Festival. One of the highlights of the birthday event was the operation of a "Haunted House" in the basement of the old township hall. The role of the monster was played by Dale Potter. — The Enterprise-Roman photo.

Society to host market

The Flat Rock Historical Society in conjunction with the Flat Rock Historical Commission will hold an Antiques and Flea Market from 9 a.m. to 6 p.m. Oct. 12 at the Flat Rock Speedway.

George P. Counter, a trustee and spokesman for the groups, writer that there will be a minimum of 200 booths manned by antique dealers from all over Michigan as well as neighboring states.

The Society, itself, will feature a home canned goods center and a dried flower booth.

A Bicentennial fund raising project, the market is the groups' 4th annual presentation. Proceeds are earmarked for the preservation and restoration of the old Monger General Store, built in the 1890's. The groups are hopeful of making the site a museum of the city of Flat Rock and people of Wayne County.

Floods: 'Double loss' for Sumpter Township

Flooding problems may crop up for residents in Sumpter Township who may suffer a "double loss" if the community's officials do not take steps to enroll the area in the National Flood Insurance program.

That warning was issued by John G. Cook, president of the National Association of Mutual Insurance Agents (NAMIA). He spoke at the recent annual meeting of the Michigan Association of Mutual Insurance agents.

Cook warned that without enrollment in the federal program, the residents of these communities will suffer not only the loss of property due to flood waters, but

also the loss of government financial assistance.

According to Cook, almost all federal financial assistance, including disaster relief should there be a flood and mortgage loans from federally-related financial institutions (which includes about 90 percent of all commercial lending in-

stitutions), will be denied residents of these communities who live in areas designated as flood-prone by the U.S. Department of Housing and Urban Development (HUD).

Cook said the penalties for non-compliance took effect on July 1 and will hold until the flood-prone community enrolls in the program. To do so, local government officials must make application to HUD. Approval usually takes six days.

Once the community qualifies, flood insurance policies can be purchased from any local insurance agent. For its part, the community is required to adopt and enforce land use and control measures designed to guide land development and avoid or reduce future flood damage.

Once a community is approved for the program "homeowners in the affected areas will be required to purchase the coverage or likewise be ineligible for government financial assistance," he added.

Coverage available under the program significantly was broadened last year. One-family dwellings now may be insured up to \$35,000, plus \$10,000 on contents. Rates are subsidized in large part by the federal government, with the average property owner paying only 25 cents per \$100 of coverage, or an annual premium of \$87.50 for \$35,000 worth of insurance, according to Cook.

BEAUTIFICATION AWARD — The Header Products Inc. located at 11850 South Wayne Road in Romulus has been presented with a beautification award from the Romulus Beautification Commission. The commission's monthly beautification award is presented to firms and individuals for outstanding work

toward beautifying the City of Romulus by beautifying their own property. Accepting the award is Robert Polzin (left), company foreman. Donna Lee Zavitz, secretary of the Beautification Commission and James Hatton, chairman, made the presentation. — The Enterprise-Roman photo.

October: Fall fantasia paints state's acreage

October in Michigan is a fall fantasia composed by mother nature and played over 19 million acres of forest land. The annual medley of brilliant hues is breathtaking and has inspired even the staunchest "stay-at-homes" to get out and color tour Michigan in autumn.

The best views of this fantastic season are off the freeways along county, country and state routes. To guide you to some of the spots where Michigan shows her colors best, the Michigan Travel Commission has compiled an Autumn Color Tour Guide containing 24 suggested, mapped tours in both the upper and lower peninsulas. A listing of 52 cider mills where you can stop for a refreshing glass of fresh pressed cider also is available. Both publications are free from the Travel Bureau, Michigan Department of Commerce, Lansing 48913.

The annual Fall Color Cruise on Lake Charlevoix affords a look at autumn from a delightfully different angle. The cruise, aboard the Beaver Islander out of Charlevoix, is on Oct. 12. Each cruise leaves Charlevoix at 1 p.m. returning to port at approximately 3:30 p.m. In addition to the color panorama along the shore, passengers enjoy snacks, refreshments and entertainment on board, all for \$5. Reservations are limited to 200 per cruise and should be made in advance through the Charlevoix Chamber of Commerce.

On shore, Gladwin will conduct their annual Guided Color Tour of Gladwin County Sunday, complete with free coffee stops along the scenic routes. More details on the colorful day are obtainable from the Gladwin County Chamber of Commerce.

October in Michigan has much to offer in the way of recreational pursuits to enhance color tour outings, not the least of which are the variety of fall-type festivals.

Everyone knows that fall is for apples and the Apple Festival at Niles, Thursday through Sunday is for

everyone. Then there's the Red Flannel Festival Saturday in Cedar Springs and the National Forest Festival, Oct. 17-19, in Manistee.

Later in the month treasure hunters can browse yesterday's "goodies" at the Antiques Market in Ann Arbor (Oct. 19) and the Antique Show

and Sale, National Guard Armory, Jackson (Oct. 24-26).

Then there are those impromptu - or planned - outings that autumn in Michigan seem to inspire such as weiner roasts and picnics and leaf shuffling hikes along forest trails and lake shores. There's hunting and fishing and

canoeing surrounded by spectacular color.

Kresge grant helps expand scouts' camp

Scouts from throughout Western Wayne County are at the receiving end of a \$30,000 grant from the Kresge Foundation which will be used to upgrade several Boy Scout camps in the state.

The money was given on a matching fund basis and will be used to construct two winterized cabins at D-Bar-A Scout Ranch near Metamora. The three camps within the 1,400 acres of D-Bar-A Scout Ranch are Trout Lake, Beaver Creek and Jack Lord Scout Camps. Con-

struction will be started this year on the new cabins.

In the past year, D-Bar-A Scout Ranch has served 141 Scout Troops and 2,135 scouts and leaders from the Detroit Council for long-term camping. D-Bar-A also served 750 Troops and 10,500 boys and 3,000 Scout leaders for weekend camping. In addition, Girl Scout groups and special school groups have used D-Bar-A facilities during the past year.

The Detroit Area Council, Boy Scouts of

America is the largest single Scout Council in America. The council operates three other camps at Brighton, Alger, and Indian River. All camps received National Standard Awards this year for quality program and safe operation.

The new Kresge cabins will be dedicated in the Bicentennial year — 1976.

The Detroit Area Council, Boy Scouts of America is a member agency of the United Foundation.

County names May 2 for birthday parade

Wayne County's Board of Commissioners officially has proclaimed May 2, as Bicentennial Parade Day.

To celebrate the nation's 200th birthday, the county will host the "biggest bash" ever to come down Detroit's Woodward Avenue — a parade of floats, bands, clowns, and antique cars — that will set a new world record when lined up from the Michigan State Fairgrounds to the Detroit Civic Center.

The 9-mile-long parade was conceived by Ervin A. Steiner, county commissioner and chairman of the Wayne County Bicentennial Committee, with the dual purpose of saluting the county's

automotive heritage and encouraging a togetherness among the 43 separate communities that make up the nation's third largest county.

In addition to naming the special day, the commissioners also voted to establish the committee as a non-profit corporation. "We wanted to incorporate the committee, because we want to put on the biggest celebration in the nation — but we don't want to spend any tax dollars to do it," Steiner said. "If we're non-profit, then individuals and private organizations can make a tax-deductible donation to the bicentennial project. That way we can stage a tremendous event and keep the cost at a

nominal level by spreading it among those people who truly are interested in it."

Related events being planned by the Bicentennial committee include a competition to select a parade queen, a Bicentennial Float Carnival on the fairgrounds May 1, a 2-day exhibit of classic and modern automobiles at the fairgrounds, and a marathon walking race on parade day.

Individuals and groups interested in joining the parade or sponsoring a Bicentennial Queen candidate can write to Ervin A. Steiner, Chairman, Wayne County Bicentennial Committee, 726 City-County Building, Detroit 48226.

Kiwanis dinner-dance also installation

By LEE SMITH
Suburban Living Editor

The Belleville Kiwanis Club deviated from its traditional Tuesday night installation program and this fall held a dinner-dance on the week-end. Held Sept. 27 at the Van Buren Hall, the evening began with champagne and cocktails complete with hors d'oeuvres supplied by the distaff side of the club.

Dinner at 7:30 p.m. also was the work of the wives who provided their speciality dishes for the buffet-style meal. Sharon Matthews, the wife of the incoming president, was assisted in planning by Flo Hudge, Ev Larabell, Peg Chizmar and Juanita Graf.

Twenty-three Kiwanians brought their wives for the gala event which featured dancing to "The Family Band", a local 5-piece combo.

The welcome was extended by John Touse, retiring president, with the response given by Bill Matthews the 31st president to handle the gavel (if he ever gets it back) for the 1975-76 club year. It seems that Kiwanis custom calls for the sudden disappearance of a new president's gavel,

especially if he is brave enough to claim that "this year we won't be without something to ring the club bell."

Bill and his wife shared the head table (attractively appointed with a fresh mum arrangement and Sharon's own huge hurricane lamps) with the Past Lieutenant Governor of Kiwanis District 9, Norris Wiltse, and his wife Hazel, of Ypsilanti; incoming lieutenant governor of the district Roy Klay, and his wife, Jeannine, of Wayne, and the "ouses."

Wiltse conducted the installation of the new president and his slate which includes Jim Richendollar, 1st vice-president; Bill Chizmar, 2nd vice-president; Jerry Graf, 3rd vice and assistant secretary; Dave Larabell, 4th vice and assistant treasurer; Jim Fitch, secretary, and Olin Wyman, treasurer.

The new board of directors consists of Bill Burhop, Ray Gross, Frank Herr, Fred Hogan, Fred Hudson, Ron Sierota and Dick Wood.

BACK FROM WASHINGTON

Dispensing with a summer vacation this year, Bill and

Gerry Steward of Romulus got away for a week in the North-west the last week in September. With the wedding of her sister slated for Sept. 26, the twosome saved the time in order to not only attend but participate in the ceremony.

Gerry was honor attendant for her sister, Barbara (Babs)

Wheeler, while her husband served as an usher for the bridegroom, Dan O' Mallory. The wedding took place at the lakeside home of Dr. and Mrs. Bentley Thompson in Bellevue, a suburb of Seattle, Wash., with the reception following in their spacious family room.

While away the Stewards visited a number of attractions in Seattle including the Space Needle, Pioneer Square and the University of Washington (Gerry's Alma Mater). They also visited friends, the Tom Kressemers of Lynwood and the Floyd Lewises and the Paul Wycks of Bellevue.

During their stay they were houseguests of Gerry's uncle and aunt, Mr. and Mrs. Herbert Henry in Bellevue.

Quotes worth quoting

"Only the mediocre man always is at his best."

Somerset Maugham said it

Mom's touch

Pat Suyak of Wayne (left) looks over her new son, Craig, in the "preemie" nursery at Annapolis Hospital in Wayne. Under a newly instituted program, Mrs. Suyak can tend to her baby and feed him under proper supervision instead of just looking at her tiny son through the glass. Beaming their approval of the

new system is Rita McNair, RN, (center) supervisor of the obstetrical-gynecology department at the hospital, and Julie Zwinger, RN, who supervises the nursery operations. The new procedure was 1½ years in development and is a "first" for the nursery at Annapolis.

Diana provides an insight to little theatre activities

By DIANA COOPER
Of The Players Staff

What possesses people, presumably in their right minds, to join a little theatre group like The Players? Are they simply-minded to spend the time away from the TV? Are they exhibitionists to conquer terror and stand awkwardly (at first) in the limelight? Are they dingalings to risk dignity and composure against the self-imposed discipline at memorizing lines of immortal prose or hilarious "poetry"? Are they normal?

Psychologists tend to agree that "normal" people encounter these attributes as they struggle through high school literary class, or completing the company's version of the Dale Carnegie Course, or even in fending off the siren song of TV re-runs. But The Players have even more fun with their "attributes."

One needn't be a theatre buff (although we have

several) nor a near pro (though we boast a couple of them, too) in order to get involved in The Players. Most of us are (or were) rank amateurs with a learn-by-doing attitude. Our suddenly timid hearts encouraged, and our stage fright jitters soothed by other more experienced members, we stretch our personalities and face the challenge of our 2-line entrance — and beat a fast retreat. Nothing to it (we think to ourselves) as we calculate the stupendous effort to learn a new 4-line dialogue for the next production.

Not only in performances, but other indispensable jobs require this stretching-of-the-personality process. In future columns we can explore the behind-the-scene stuff of producing and directing. Such jobs may add new laugh wrinkles to the brow, but that just adds character to the individual while producing a unique touch of

culture and vitality to the community.

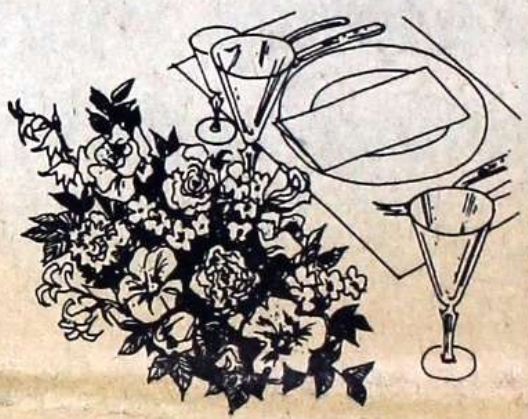

Although, secretly, the writer doubts she can stand against the added competition, any of you out there within sight of this missive — providing you're in the "normal" range — are invited to take a peek at the proceedings. Call 697-1569 or 699-7242.

And don't forget, "Sir Slob and the Princess," a children's play, is set for Oct. 25 at 1:00 and 3:00 p.m. on the North Junior High School stage.

(EDITOR'S NOTE: Diana Cooper, a new member of The Players who has been assigned as the organization's news beat person, will be submitting a series of articles

about the drama group for several weeks. The stories will serve to introduce and explain the thespians' activities and interests.)

Art Museum next for Romulus club

The regular business meeting of Romulus Senior Citizens Club No. 1 will be held Oct. 14 at the VFW Hall. Members are urged to be early so that the program can start on time.

The bi-laws committee will present its recommendations which will be put to a club vote.

The monthly pot luck dinner will be held Oct. 28. The group's annual bazaar is scheduled for Nov. 20-22 at Metro Mall in Wayne.

Weekly sewing sessions are held from 12 to 4 p.m. on Thursdays at the old DPW building on Bibbins Street. Materials and machines are available for

those who care to sew for the bazaar. Those not geared to the sewing routine are invited to bring their crocheting and "sit and gab awhile" says Dorothy LaLonde, the club's newspaper reporter. Mary Butz and Celeste Fisher will be on hand to give instructions to beginning seamstresses.

The color tour to Pinkney has been cancelled. In its place the group will visit the Toledo Art Museum and Southwyck Shopping Mall on Oct. 15, and then stop for dinner at Hathaway House in Blissfield.

Richard Butz has volunteered to lay out the

design for the flower garden which the club is planning for the Romulus Civic Center. Tulips have already been purchased for spring but other flowers will be needed to keep the plot colorful all summer long. Ideas for the garden should be submitted to Dorothy Icenogle or Mary Butz.

Scout troops combine for ceremony

Seven Girl Scout troops gathered at the Haggerty School gymnasium for a fall fly-up and rededication ceremony. Members of the color guard included Lynette Aughney, Donna Younts, Jennifer Collins, Sheila Dalgiudice, Sherry Shearer, Sharon Feltman, Debbie Forsyth and Debbie May. Candles were lighted and the laws recited by members of junior troops 668, 616 and 734.

Year pins were awarded to the following leaders and assistant leaders by Gerry Grieve, troop service director: Troop 734, Barbara Gillingham and Joan Ryan; troop 616, Janet Oliver and Margaret Bergerson; troop 668, Gerry Grieve and Dulce Jacobson; troop 486, Mary Black and Lynn Zager; troop 374, Linda Griffith, Cleve Luebke and Ann Feltman; troop 736, Linda Watson, and troop 744, Judy Fender, Karen Charkiewicz and Peggy Sumner. A special recognition award was

presented to Sue Pieknik. Fly-up Brownies welcomed by the junior troops included Kim Black, Kelly Pike and Leslie Zager of troop 486 and Patricia Clark, Mary Coles, Sherry Darr, Debbie Forsyth, Liza Gonczy, Terri McDaniel and Jana Steiger of troop 744.

Still others were Lisa Griffith, Danielle Harris, Judy Pritchard, Karen Tomcheff, Debbie Wenson and Sharon Wilsey of troop 374, and Lorelei Curcio, Dawn Delafore, Mary Messer, Lisa Murphy and Melissa Sowder of troop 736.

A history of the founder of Girl Scouting was read and a special Sign of the Star badge was awarded to Lynette Aughney, a member of junior troop 668. Pianist for the occasion was Lois Krafve.

The ceremony also included the awarding of year pins to the following girls: Jennifer Collins, Jennifer Grieve, Becky McArthur, Dana Sala and Michelle Shanower of troop

486; Sherry Charkiewicz, Michelle Fender, Lori Gonczy and Lara Widener of troop 744; and Amy Delafore, Sheila Delgiudice, Carrie Giza, Terrilyn Kolver, Kimberly Mickus, Diana Paul, Deborah Schmidt, Vicky Thomas, Lisa Watson, Suzanne Watson and Brenda Younts of troop 736.

Girls from troop 616 receiving the award were Denise Bergeson,

Elizabeth Coles, Sharon Disney, Karen Guenther, Linda Johnson, Tammy Jones, Anne Krafve, Ann Oliver, Jenna Oliver, Lori Pieknik, Debbie Porterfield, Sherry Shearer, Debbie Yoder and Kathleen Zager.

Troop 374's awardees were Laurie Brown, Kimberly Cavin, Sharon Feltman, Gale Gapuz, Patti Gillingham, Karen Herrmann, Cheryl Luebke,

Yvonne May, Patty Murphy, Lisa Patterson, Dorothy Pritchard and Tina Sanders.

Members of troop 734 included Michele Anthony, Debbie Clayton, Sue Clayton, Marianne Cox, Glenna Gillingham, Penny Hedman, Debbie May, Chery McManus, Patti Morrison, Janet Ryan and Linda Wenson and from troop 668 were Lynette Aughney, Toni Grieve, Glenda Harlow, Carol Hazen, Kelli Kosmalski, Sandy Mattson, Donna Younts and Sherri Younts.

Please note

Due to newspaper policy, we reserve the right to edit, delete and re-write any stories received from our readers. Because we are a weekly paper and limited in staff, time and space, we cannot go into great detail on descriptions of attire, decorations, menus, heritage or other personal additions.

According to the format set by management, we use as few adjectives as possible and attempt to write clear, concise stories.

We regret that some readers feel we are "obliged" to print items verbatim. In many cases, this would prove very embarrassing to those who are unaware of proper grammar, punctuation and form used by journalists.

Make your color tour a local project

By LEE SMITH
Suburban Living Editor

Come the first traces of "fall in the air," we begin to notice that the big city dailies start their annual fall color tour suggestions or "what-to-do's" on a fall day. Granted, their trips are usually very nicely mapped out but always take you miles away from home using vats of that precious petrol.

Admittedly, they're great for those who don't mind long distance drives and, perhaps, tail-gate carnivals as well. For the gal who has one heckuva time getting her hubby out "for a drive" on the weekend, though, we've just the ticket! When a couple or family can accomplish the same type of adventure right in his own home territory, why not take advantage?

MR. AND MRS. RAYMOND ZATIRKAS

Zatirkas mark silver wedding

The 25th wedding anniversary of Mr. and Mrs. Raymond Zatirkas was observed Sept. 14 beginning with a mass of thanksgiving at St. Anthony's Catholic Church. The Rev. Raymond Skonek presided at the 12 noon service at which the couple renewed their wedding vows.

Attending with their

parents were the four Zatirkas children, Sharon, Kenneth, Steven and Alan. Mrs. Zatirkas was Alice Smendra of Romulus when she became a bride on Sept. 16, 1950 at St. Aloysius Catholic Church in Romulus. The couple now reside at 11539 Wilson, Belleville, and have been residents of this area for 10 years.

4-H holds

installation

The High Flyers 4-H Club No. 303 held its first business meeting of the 1975-76 club year Sept. 27. Organizational leader, Mrs. Robert Cook, conducted the installation of the following officers: Connie Cook, president; Sue Rochowiak, vice-president; Lynne Wisniewski, recording secretary; Ruth Nazarchuk, secretary, and Mark Cook, treasurer.

Pamela Zoller was appointed publicity chairman.

Meeting day for the club was established as the last Saturday of each month from 1 to 2:30 p.m. The next meeting will be held Oct. 25.

A reception for 100 guests was held at the VFW Hall in Romulus where dinner and a 4-tiered anniversary cake were served. The work of Kathy Stears of Belleville, the confection was topped with a silver 25 and iced in white and pink. The guest book, which was circulated by Debbie Smendra and Patty Craven, was signed by relatives and friends from Bryon, Lansing, Oxford, Dexter, Orchard Lake, Dearborn, Detroit, New Boston, Walled Lake, Willis and Belleville.

For the occasion, Mrs. Zatirkas wore a floor length mint green polyester crepe gown which her daughter Sharon had made. A corsage of white roses and pink carnations completed her ensemble.

'...just ahead on your left that cluster of woody plants contains a kaleidoscope of color...'

Each time we drive to and from the city of Belleville via East Huron River Drive, we marvel at the myriad of colors which nature has provided for our pleasure.

We suggest you take a personalized trip (no fee attached) which will begin at Five Points in Belleville and end, say a couple hours later, in your own driveway. Be sure to notice your own private surroundings before you leave. Bet you didn't even see that pretty bush across the street or all those mums bordering your neighbor's porch.

Point your wheels east now and drive slowly (for more than one reason) and savor all those golds in Victory Park as well as that eye-catching burning bush at the corner of Madelon Street. And how about that golden maple near Wexford and those brilliant orange-golds near

Bethany Baptist Church? Breathtaking? You haven't even begun! The old Riggs farm near Martinsville has a magnificent old maple tree dressed in gold with touches of green for contrast. Its twin sister is stationed near the Burcroff home with still another relative in a neighbor's front yard.

Now, be prepared as you round the curve at the Ery farm because just ahead on your left that cluster of woody plants contains a kaleidoscope of color, its beauty particularly enhanced when the sun is heading westward.

The wooded area across the tracks in the same vicinity offers an old-fashioned quilt of fall foliage. And across the lake (northward) there are masses of trees reflecting their magnificence in the water's hand mirror. Catch this scene sometime at

twilight. Whew!

You're ready to make a right on Haggerty now but take time to note the woods which are slightly in the distance (south-east) as you turn. Just remember, the time of day is very important to the brilliance of the colors so direct your attention to where the sun is doing its buttering.

Okay, you're heading south and really drinking in the sights so no way at all are you able to miss the contrast of the yellows, golds and greens at the Kapelanski home just before the dip at Kisskaden (I just realized I don't even know how to spell it. Help!!)

You're about to enter Lower Huron Metro Park so watch for all those trees that form the park's patchwork boundaries. Of course you DID pack a picnic basket to take along, didn't you? Good thinking!! Now find

yourself a nice sunny table and then just sit a moment and breathe. Is there a better smell than fall itself if it isn't those hot dogs roasting, steaks grilling or coffee perking out of doors?

Don't concentrate too much on the food, though, or you'll miss the magnificent maples, aspens, scyamoors, poplars, ashes and that sumac which adds its lipstick touch for breath-taking accents.

After you've almost satisfied your taste buds, take 'em on over to the South Huron Orchards and Cider Mill for the finale. Choose from an assortment of freshly baked donuts and cookies or candied apples for that sweet touch. Wash it all down with a glass of icy sweet cider and then — wear off those calories with a little

exercise.

Get into the act and pick your own apples. Get those kids and yourself up those branches and start filling your own bushel or peck to take home. No kids to help? Then take another couple or two along — it's just more fun that way.

Now it's time to head for home so how about taking the route through New Boston (that's Huron River Drive again). Watch for the color but keep an eye out, too, for all the goodies on sale along the way. (We did a quickie "test run" of this tour after work last Thursday and here's what we found.)

A dainty little sign stating "Seamstress", half a dozen places selling apples (wealthy, delicious, Macintosh, etc.), homemade cider and pumpkins — all shapes and sizes for jack-o-lanterns. Keep a watch for the russet-toned and brilliant orange maples standing guard near Eureka.

Continuing on there are Arabian horses for sale, pure honey, farm fresh eggs, garden tomatoes, again apples and cider, ducks, geese, rabbits,

firewood, fresh dill and even a tire — (one single tire thrown in for contrast.)

It's off the "guided tour" list but golfers who patronize our local Lemontree course must surely agree that "the" most gorgeous spot in all of Van Buren Township has to be the 5th green. Nestled into a bend of trees, the lush green is hugged by a spectrum of color the golds, greens, so magnificent it makes you murmur a little prayer of thanks (and fie on thee, M.M.O.H!) for the gift of nature's artistry.

Yes, we're aware that your own particular neighborhood might be equally as lovely as what we've described. But this is what we're familiar with so this is what we're offering.

It'll sure beat a tiresome drive back from Oakland, Macomb or other counties or watching a football scramble on TV. Hopefully, the color will still be in its prime and the leaves intact when this issue is delivered on Oct. 8.

However you wish to take your color tour this fall, just remember your own area can hardly be beat!

It's a date

Rummage sale has added attractions

Mr. and Mrs. George Hammond and children of Lenmore Street and Mr. and Mrs. David Hammond

of Savage Road were among members of the family who attended the golden wedding anniversary open house for their parents, Mr. and Mrs. George L. Hammond of Adrian.

The gala affair, which was held Sept. 28 at the Lenawee Building in Adrian, was hosted by their six sons, George and David of Belleville; Harold of

Maybee; Lee of Ida; Ross of Palmyra and James of Tecumseh. The honored couple also has 18 grandchildren and two great-grandchildren.

Mrs. Frank Hoag of Liberty Street returned home on Sept. 27 from University Hospital after having been a patient there for several days.

Mrs. Clyde Woods of Manchester, Tenn. will be spending some time with relatives in Dearborn and friends in Belleville for the next few weeks.

Mr. and Mrs. George Robson of Tyler Road recently returned home from Grygla, Minn., where they were called by the sudden death of Mrs. Robson's brother, Clarence

Carlson.

Mr. and Mrs. Frederick S. Mann of Rawsonville Road are home after an extended trip of three weeks through Arizona, New Mexico, Texas and Florida.

Recent guests at the home of Mr. and Mrs. George Robson of Tyler Road were friends, Mr. and

Mrs. Fred Schillar from Stratford, Conn.

After spending the summer months in Michigan with relatives, a sister and husband, Mr. and Mrs. Edgar Quinley of Sumpter Road, and a niece and husband, Mr. and Mrs. Larry Traskos of Riggs Road, Eileene Lindemann returned to her home at Delray Beach, Fla.

Fashion show set

Barton Hills Country Club will be the setting for the annual style show to benefit the Washtenaw Children's Dental Clinic. Sponsored by the Women's Auxiliary to the Washtenaw District Dental Society, the show will be held at 1 p.m. Oct. 16.

Jacobson's will provide the fashions and Lucy Dobson of Radio Station WPAG will do the commentary. King's Keyboard House of Ann Arbor will provide the organ for musical background. Dessert will be served prior to the show and door prizes will be awarded.

Models (members of the auxiliary and their daughters) will include Mrs. Gerald Miller of Belleville.

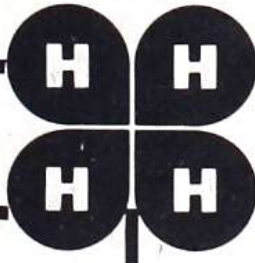

Tickets at \$3.50, which are tax deductible, may be obtained from local auxiliary members: Mrs. Jerry Kelly, Mrs. Thomas Troxell and Mrs. Miller. They also will be available at the door. The public is invited to attend.

Proceeds from the show are the only means of support for the Children's Dental Clinic which was founded in 1952 and presently is located at Mack School in Ann Arbor. County dentists volunteer their time to treat needy elementary school children who are referred by their school nurses. Members of the Washtenaw Dental Hygienists Assoc. also do volunteer work at the clinic.

Awards mark Panax Newspapers' quality

Panax Newspapers serving the Detroit suburban area have been recognized 34 times in the past year for outstanding news coverage, advertising originality and circulation achievements.

The unusual number of awards went to The Macomb Daily; The Daily Eagle of Wayne; Mellus Newspapers, headquartered in Lincoln Park; News Herald Newspapers of Wyandotte and The Dearborn Press.

The list of honors was compiled by Martin Heim, group vice-president in charge of the Southeastern Michigan Region of Panax

and released in connection with the company's observance of National Newspaper Week, now under way.

Nine of the awards were for first place in various categories, 15 were for second place and the balance, third place.

"We are delighted that the judges in these various contests — drawn from many walks of life — so solidly recognized our efforts to serve the communities and readers where our papers are circulated," Heim said. "The fact that the total number of papers entered in some of the competitions

was close to 50 confirms our own judgement that the staffs of our papers can and do hold their own with the best in the business.

"We are very proud and happy — but we are not satisfied. We're going after even more such recognition in the future."

First-place awards included three to The Dearborn Press, five to The Macomb Daily and one to The News-Herald newspapers. The Macomb Daily took four second-place prizes while the Mellus papers had three, The News-Herald five, The Dearborn Press two and The Daily Eagle one.

The Mellus papers won three third place awards while The Dearborn Press, Macomb Daily and Daily Eagle had two each.

In addition to the competition honors three Macomb Daily staffers were recognized by individual groups for outstanding coverage of their specific activities.

They included Outdoor Editor Butch Sapp, who was named 1975 Conservation Communicator by the Michigan United Conservation Clubs; Sports Editor Jim Porter, who was awarded a Lifetime honorary membership in the Michigan High School

Football Coaches Association, and sports writer Bernie Kennedy, named Bowlers' Man of the Year by the Greater Detroit Bowling Association.

The first-place awards were:

The Dearborn Press — Best original column, John Cusumano, from Michigan Press Association; best editorial page, Michigan Press Association; best Page 1 design, Panax Newspapers.

The Macomb Daily — Best straight news story, John Howes and Mitch Kehetian, from Panax newspapers; best single feature, Charles Thomas, Panax Newspapers; best news picture, Joe Crachiola, Panax Newspapers; best Wednesday page, Dave Posavetz, Panax Newspapers; best summer circulation gains and promotion, from Central States Circulation Managers Association.

News Herald Newspapers — Best feature picture, Harry Taylor, from Panax Newspapers.

The second-place awards were:

The Dearborn Press — Special news and advertising edition category, Panax Newspapers; advertising idea of the year (50 percent off on new car ads to stimulate car sales), Michigan Press Association.

The Macomb Daily — Investigative reporting, John Howes and Mitch Kehetian, from Michigan Associated Press; feature series, "Crime in Macomb," a staff effort involving 11 persons, Panax Newspapers; spot news picture, Joe Crachiola, National Press Photographers Association; feature picture, Dave Posavetz, National Press Photographers Association.

Mellus Newspapers — Page 1 design, Panax Newspapers; news

reporting, Michigan Press Association; picture feature display, Pearl Ahnen, Panax Newspapers.

News-Herald Newspapers — Special news and advertising edition, Panax Newspapers; original personal column, Meg Bremer Jones, Panax Newspapers; editorial page content and design, Panax Newspapers; feature story, Joan Dyer, Panax Newspapers; advertising idea of the year, Panax Newspapers.

The Daily Eagle — Feature story category, Maureen Rademacher from Panax-Newspapers.

The third-place awards were:

The Dearborn Press — Original — 8, 1975 column, Cusumano, Panax Newspapers; sports coverage category,

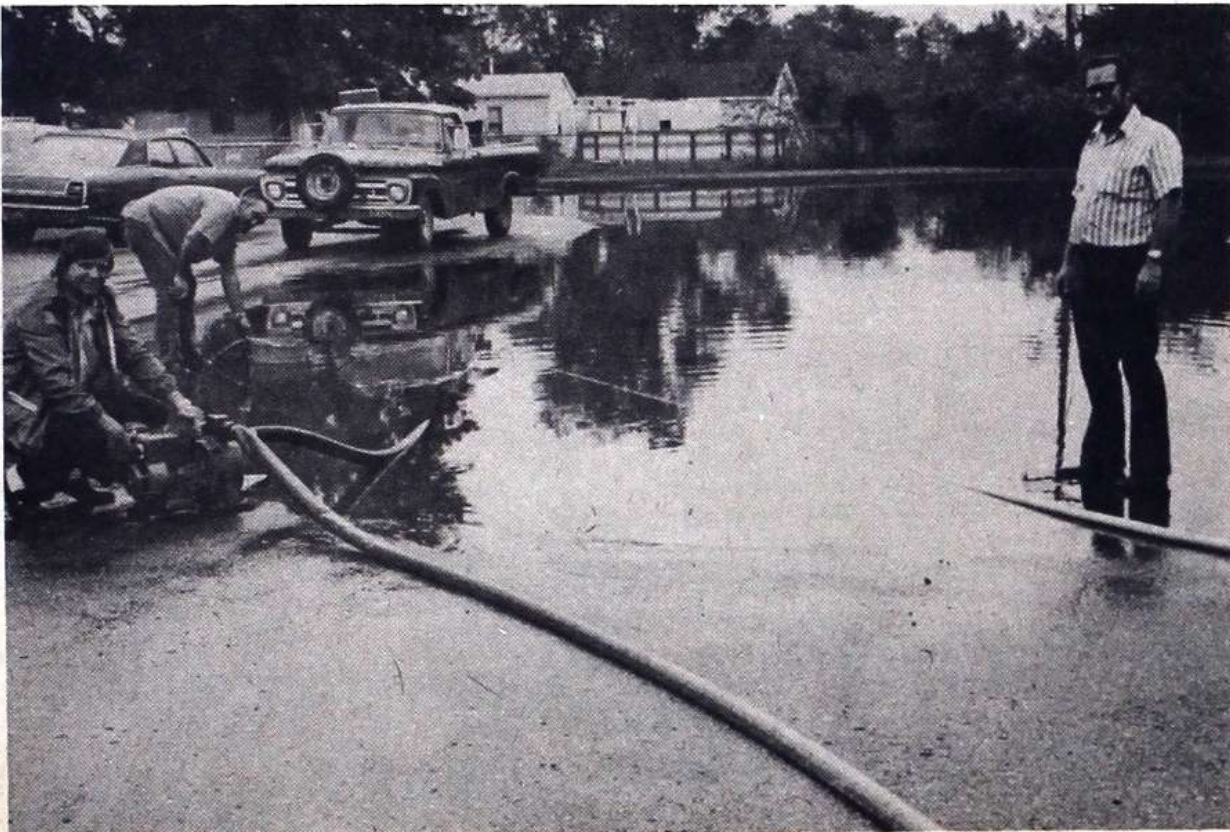

Michigan Press Association.

The Macomb Daily — Public service reporting, Butch Sapp, Michigan Associated Press; Page 1 design, Randy Bawkon, Panax Newspapers.

Mellus Newspapers — General sports coverage, Michigan Press Association; editorial

writing category, Robert Cochrane, Panax Newspapers; original personal column, Jim O'Toole, Panax Newspapers.

The Daily Eagle — Feature pictures, Lothar Konietzko, Panax Newspapers; Page 1 design, Sue McDonald, Panax Newspapers.

DRYING OUT — Everyone from the area is a bit tired of water following the past few weeks' heavy rains. And that includes the members of the Belleville Moose Lodge who had to get special equipment into their parking lot to defuse the power of a flood which almost went into the lodge

building on Huron River drive. Lester Thompson (from left), Carl Higgins, the lodge manager, and Eugene Jordan, prime their pumping equipment to take the storm overflow into ditches designed to carry it away. — The Enterprise-Roman photo.

Students audition for choir

During the month of October five Belleville High School students will be auditioning for international choirs.

If selected Sandy Flanery, Phillip Berger and Michael Bryant will participate in the Southern Michigan Youth Chorale (SMYC), while Stan King and Paula Caldwell have chosen the Michigan Youth

International (MYI).

The SMYC will be touring Western Europe and MYI will perform numerous concerts in the British Isles. Both groups accept applications from hundreds of high school musicians in the state of Michigan. Students are selected not only as musicians but also as exchange students capable of representing the United States.

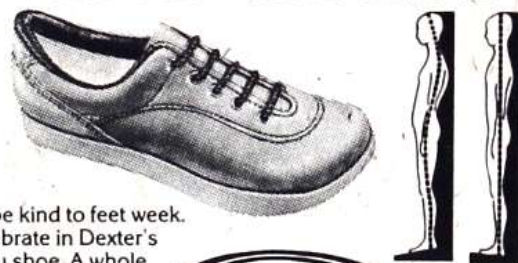

The five Belleville applicants also are interested in an opportunity of working at miscellaneous tasks or working for service organizations to earn funds that could be applied toward their tour expenses.

Persons interested in

supporting these students either through a contribution or job opportunity

are asked to contact Mrs. Louis Pitcher at Belleville High School at 697-9133.

STUDENTS REHEARSE PLAY — The Belleville High school's next theatrical production will be the noted Broadway hit, and later a movie, "Arsenic and Old Lace." Student are busy these days rehearsing their various roles in the unusual drama. The rehearsal scene above includes Lynn Akans (from left) as

Abby Brewster, Darel Adams as Mr. Gibbs, Mike Bryant as Mortimer Brewster and Anne Griffith as Martha Brewster. The play's presentation is scheduled for Nov. 13 in the Belleville High School Auditorium. — The Enterprise-Roman Photo.

Guenter takes post as credit manager

The appointment of Robert Guenter as credit manager of Panax Newspapers' Southeastern Michigan Region has been announced by Martin Heim, southeastern region vice-president.

Guenter, 37, has been credit manager for Panax' Macomb Daily-Community News in Macomb County for the past four years.

The position is a new one. Guenter will divide his time between Macomb Daily offices, where he will continue as credit manager, and the regional office in Madison Heights.

He will supervise all credit operations of the 21 weekly and two daily Panax properties in the Detroit metropolitan area. In addition to the Macomb Daily-Community News

they are Mellus Newspapers, News-Herald newspapers, Associated Newspapers and the Dearborn Press.

"The need for fulltime credit supervision at all of our newspapers in southeastern Michigan is another sign of the growth and expansion of Panax operations in the Detroit suburban market," Heim said. "We feel Panax is very fortunate to have on its staff someone with the ability and dedication of Bob Guenter ready to step into the assignment when it became necessary."

Guenter, a native Detroit, graduated from Fountain Valley School of Colorado Springs, Colo., and Alma College. The son of Dr. and Mrs. E. J. Guenter of Grosse Pointe,

he spent two years in communications assignments with the U.S. Army in Germany before entering the newspaper field with the Michigan Chronicle in 1965.

In 1968 he joined the staff of the East Side Shopper-

Community News as a salesman and later was named administrative assistant to then publisher Ben Nathanson. He became credit manager at the Macomb Daily shortly after Panax acquired the Nathanson property.

Scouts plan sale

Members of Boy Scout Troop 231 of Belleville and their mothers will be conducting a joint cider-bake sale starting at 10 a.m. Saturday in front of Dancer's Department Store, located on Main

Street in the city's central business district.

The proceeds of the sale will be used toward the purchase of scout equipment and to finance camping trips.

Cathey fills caravan post

A Romulus resident has been elected to the post of historiographer of Tagus Caravan No. 147 of the Order of the Alhambra.

Kenneth A. Cathey will fill that post following the election of officers by the caravan last week.

Also elected to administrative posts were George McKenty as grand commander, Marvin Winkelmenn as vice-grand commander, Tom Clarke as grand scribe, Frank Macek as grand chamberlain, Edward Dybka as master of the oasis, John Lesinski as sentinel of the

tower and Paul Coltri as grand advocate.

Cathey also recently was inducted ritually through the first two of the three phases necessary in becoming a Franciscan Tertiary, a member of the Third Order of St. Francis, Lay Franciscan Movement.

Cathey was inducted through the two levels at the Duns Scotus College during a religious ceremony.

He will be able to complete the third phase to become a tertiary in one year, when he will take his final vows of commitment.

Huron offers GED testing

The Huron School District again will administer the GED Test, commonly called the High School Equivalency Examination, which makes it possible for men and women, who have left school without receiving their diplomas, an opportunity to receive an equivalency certificate.

Huron High School also will give credits toward actual high school diplomas upon successful

completion of the examination.

Testing begins from 6 to 10 p.m. Oct. 20 - 22nd.

The test is free if the individual is enrolled in the adult education class or is a resident of the Huron School District. The cost of the test is \$15 for persons out of the district not enrolled in the program.

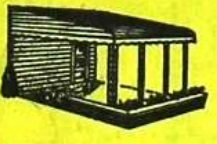

For information call Roger Benner or Chris Fields at 782-2441 or 782-1505 from 7:30 a.m. to 4 p.m. and from 6 to 10 p.m.

"We estimate 60% of our business comes from the Yellow Pages alone. As further proof of how sold we are on the Yellow Pages, we advertise in three different books, under a variety of different headings. We have found that it pays to design separate ads for aluminum siding, patios, or what have you, instead of using one catch-all ad under every heading. But the most important thing is to make sure you advertise where people look for you, and that's the Yellow Pages." — Gary Moore, Bonded Weather Control Products, Inc. 1661 South Telegraph, Pontiac.
